

Hello Encinitas Coastal Rotarians!

GOOD NEWS! At last week's meeting I actually received a gavel! Of course it was gone as soon as I saw it, but luckily I was given a reprieve....this gavel-watching is a hard task! We also had an interesting speaker & some interesting comments by retired Emperor Don Heiser.... It seems past-president Don Haake thought he should wait & celebrate his birthday with Steve Gardality who was absent, instead of with Neil.... Ahh- third grade... Announcements - August 4th District Council signs up at: <http://www.rotary5340.org/registration/dc0908.html>

THIS WEEK: On Tuesday, 7/21 we will have a program by Sharon Ross, of Lifesharing Community Outreach. She has been highly recommended by another club. The topic is organ & tissue donations. (By now, most of us probably know someone who has benefited from this type of donation.) Please invite a friend who might find this subject interesting as we get the facts on this subject.

VOLUNTEERS NEEDED -- Are you available to do these tasks in July or August? Let me know...

1. Invocation for Tuesdays
2. Flag ceremony givers for Tuesdays
3. Greeters for Tuesdays (even if you don't want to wear a button)

CLUB PROMOTERS NEEDED -- Can you invite a guest? Membership is partly about inviting people who we'd like to have lunch with. It's a fun way to keep the club strong. To see our upcoming topics go to: <http://clubweb.encinitascoastalrotary.org/calendar.html>

CLUB UPDATES: So far so good. The International Committee has met. The Social-Happy Hour Planners has met. The Board has met. And I've been assured that something will soon be in the works with Membership & Community Service. Cheer & Donna Marie have been faithfully plying their trades at the entryway. The budget is not totally solidified yet, but we made good progress on that at the Board meeting.

I've made a lot of Encinitas Coastal Rotary Club Facebook "friends" at <http://www.facebook.com/group.php?gid=44816790741> I still don't have the hang of this, but I have enjoyed seeing other people's pictures, (particularly of Don Sine inside a wooden shoe.)

See you Tuesday! (If you are off on a great summer vacation - have fun & we'll see you soon!)

Prez Kate DuVivier
