NOTES FROM THE SCRIBE:

Everyone in the pool! **President Steve** announced Sigmond Romberg, no relation to former member Ken, as our historical Rotarian. A composer of popular music, he was a member of the Rotary Club of NYC. Our Rotarian of the Day, **Karon Fenton-Nealy**, led us in the invocation and prayer and **Walt Heinecke** introduced all two of our visiting Rotarians.

ROTARY NOTES OF INTEREST and ANNOUNCEMENTS

1. Demonstrating how to do a "Who Am I," **Karon Fenton Nealy** gave us the basics. Manhattan Beach, Seattle, Catholic girls school, University of Idaho, math teacher, actuary (providing proof that actuaries are accountants with a sense of humor), mortgage banker, financial planner, and world traveler. In her spare time she's soloed in a Cessna 172, assisted with cleft-palate surgeries in El Salvador and Honduras, built non-polluting toilets on Mt. Everest, started a free mobile dental clinic for the working poor, and joined Coronado Rotary.
2. If you have any old Rotary directories that you're not using, the office could. Please turn them in for safekeeping.
3. **Gerry Easton** inducted our newest member, **Chip Garry**. Chip was introduced by **Don Penniall** who was standing in for Chip's sponsor **Bill Bartsch**.
4. No more flagpole caps! Thanks to **Bill Gise's** handy inventions and **Bob Watson's** leadership eighteen Rotarians managed to get the new flagpole holders in the ground last Saturday. And, they're straight!

5. **Mary Sternad** said that the Low Tide Ride and Stride event is looking for volunteers for a number of race day positions. See Mary for a volunteer assignment.
6. Roger Anderson and Steve Berman were our "Special Guests" today.
7. We need host families for visiting Rotarian children. Your obligation is for two nights only the weekend of June 10-12. **Bill Sturgeon** is the point of contact.
8. Flags on the Avenue. New holes! Memorial Day, Monday May 30. Meet at First and Orange at 7:00 a.m. to put them out. Strike the set at 6:00 p.m. from the same location.
9. The Relay for Life Committee will be doing sign ups and collecting donations for luminarias, for time on the track, and for honoring our family and friends who've survived cancer or we've lost to cancer. Donations for The American Cancer Society will be collected at the June 1st and June 8th Rotary meetings.

Because we will need a quorum at that meeting please be sure to attend. That is CHS Awards Day so please come and support our CHS student athletes.

PROGRAM

Are you in? Instead of getting "History of NASNI, Part 7" **Dave Landon** and his personal Vanna White, Amy Steward, brought us up to date on the Coronado Aquatic Center. The new aquatic center is to be built on the high school grounds (where the tennis courts are currently) with CDA funds. The Committee is fundraising to create an endowment whose income could be used for maintenance in the event that revenues do not cover the operating costs of the pool. "We have a new pool," you say. Yes, a beautiful new pool at the community center that's already oversubscribed and it doesn't open for another two months. The new pool will serve the high school teams, swimming clubs, adaptive uses, recreational swimming, and even rehabilitation. The list is unending. How can you help? Everything is for sale, from the whole pool, to the lanes, the lifeguard stand, even the glass bricks in the changing rooms.

If you can imagine it, you can sponsor it. Get on board and get in the pool. ARE YOU IN?

RAFFLE: It pays to play! So, step up and get in the game.

***The difference between "ordinary" and "extraordinary" is just a little "extra."
Now go out and be EXTRAORDINARY!***
