| 27 June    | Installation Dinner                               | Al Ovrom     |

**NOTES FROM THE SCRIBE:**

Rock Star **President Scott** rang the bell on eighty-two years and three months of service to the club and our community. **Steve Mather** gave the invocation as only an A-Team pastor can. And, **Lion Rowe** was fresh from Bolivia where he was either communing with God or sampling the local "prc". Either way, he made hash out three visitors whose names had a combined four syllables.

**ROTARY NOTES OF INTEREST AND ANNOUNCEMENTS:**

- The Rotary International Convention is in Los Angeles this year, June 15-18. It's a great opportunity for local Rotarians to see Rotary International up close and personal. Go to [www.rotary.org](http://www.rotary.org) to register.

- For those Rotarians who have been in a desert island for these many months, the Low Tide Ride & Stride is coming up on June 8. If you are not riding, running, or walking from Imperial Beach to Coronado the committee needs your support and help. There are worse ways to spend a summer morning than at the beach. **Dave K** is the volunteer chair. He has all the spots filled, but cheerleaders and clean up can always use more people.

*LTR&S June 8, 2008, volunteer work assignments, points of contact, locations and time are at the following link:*  
[click here](#)

LTR&S, part II: Who has the Rotary Vests? If your name is not Doug Weisbarth and you have a Rotary Vest hanging around your house please bring it to the next Rotary meeting and someone will figure out what to do with it.

- The Installation Dinner will be June 27. Save the date, details to follow.
- The Coronado High School Awards Banquet was held at The Del last night and there were too many over-achieving Rotary children and grandchildren to mention.
- **Wes Harris** is the point man for our Relay for Life team. It's June 7/8 so come down to Villavieja School, run around for awhile, then truck on down to IB and run or ride back with the Low Tide Ride gang on Sunday morning!

- Pancake Breakfast recap: We served 1131 meals and netted \$11,456 according to **John Ga** However, he wasn't there, so trust his numbers at your peril.
- **Bonnie Carpenter** and the Carpenter Kids presided over a very successful Career Day at C despite the fact one of the presenter was John Ovrom. Now Career Day has been handed of Suzanne (don't call me "Susan") Popp.
- WHO AM I? The Reverend **Steve Mather** is that rarest of breeds, a real Coronado native bo 1949 (the son of Lee Mather). He was trying to set the record as the longest running Red B but at two years he's a mere child! He's taken calls all over the country, but has now come 1 circle and is pastor at the Coronado Community Church and has joined Rotary to keep an ey some of his flock, and it's a target rich environment of sinners!

## The Family of Rotary

Please contact **Mary Sternad** at 522-9452 or [psternad@aol.com](mailto:psternad@aol.com) for updates and information.

- Don't forget to visit **Larry Wade** at the Villa. If you give them twenty-four hours notice you bust him out of there for coffee or Rotary.

## FINES & RECOGNITIONS

1. Let's see, who was unfortunate enough to have a birthday this week? Why, we have a coupl winners! **Jim Kaufman** celebrated in San Francisco while **Dan'I Steward** and his family pu and picked up flags. The BOTH got the \$75 whack. No good deed goes unpunished.
2. **Steve Moffett** has been in our Club for five years, so it was only \$15 per year.
3. Oh Lord! As reported last week The Odd Couple, **Lionel Rowe** and **Ross White**, traveled to Bolivia together. When called upon to report Lionel was strangely speechless and Ross was mumbling so much that we think some ancient Bolivian curse has switched their personalitie Lionel was fined the requisite \$75 while Ross was deemed to have suffered enough.
4. **Paul Dodson** , The Admiral of Glorietta Bay, The Commodore of the Yacht Club, and the knucklehead of the day for getting his picture on the front page of the Eagle without identify himself as a Rotarian. \$75.
5. NadoLife is going to be "dead on arrival" if **Alan Palmore** doesn't upgrade the Rotary entry new Coronado magazine. \$75.

## PROGRAM

**Ross "Mumbles" White** introduced today's program, Chuck Cashmere and the Bubba Music Mac for a tribute to the American soldier called "I Am Legend." So, he sang songs, sort of, and sold CC proceeds from which go entirely to the Intrepid Fallen Heroes Foundation.

**RAFFLE:** You know them, you love them, and you can't live without them -- buy raffle tickets weekly.

***The difference between "ordinary" and "extraordinary"  
is just a little "extra."  
Now go out and be EXTRAORDINARY!***
