NOTES FROM THE SCRIBE:

Eighty-two years, three months, and three weeks and **President Scott** rang the meeting (aka "TI Children's Hour) to order. **Ken MacLeod** delivered the invocation and only God knows what **Lionel Rowe** delivered. Suffice it to say we had a plethora of transient Rotarians making their ways to L the International Convention. You can only guess at the names with which Lionel was presented! **President Scott** attempted to auction three pairs of tickets to the US Open, but again, any Coror Rotarian who wanted to go probably already had tickets. But, **President Scott** is such a good auc that he managed to sell some of the tickets back to the donor!
