13 September	Beach Clean up	Tim Cusick
--------------	----------------	------------

NOTES FROM THE SCRIBE:

In an inverse universe **President Al** is perfect! Ringing the meeting to order **President Al** noted, "You're all having so much fun, I think I'll start the meeting and put a damper on it!" Songmeister, and city council candidate, **Mike Woiwode** opened with "America" or "God Save the Queen" (for our Canadians) and THEN **President Al** offered the invocation and led the Pledge. This had the assembled multitudes begging for the return of **Lionel Rowe** and they weren't disappointed. Or, maybe they were as Lionel got almost every name right! Charles Nelson of Houston, Texas, one of our regular visitors vowed that he'd take Lionel to the George W. Bush School of Elocution in Crawford, Texas if he screwed up any of the names. An instantaneous collection was made for the airfare.

ROTARY NOTES OF INTEREST AND ANNOUNCEMENTS:

- The ever-popular Foundation Seminar will be held at the Salk Institute on September 13. If you're not among the thousands going to the USC-Ohio State game make plans to attend.
- **Ron Beaubian's** son Layne continues to lead the USA water polo team forward in the Olympics. Pray for gold as Ron won't have enough money to pay THAT fine.
- It's never too early to think about that annual favorite Rotary Night at the Opera which will take April 3, 2009. **Ross White** would like to hear NOW from those opera aficionados. He's not kidding, if you're interested talk to him.
- La Jolla Sunrise Rotary is hosting their 17 th Annual LJ Cove to La Jolla Shores swim and paddle Thursday morning (early) September 18. Proceeds will benefit San Pasqual Academy. (The Scribe has done this and it's fun!)
- **Dan Hutchison's** daughter Dana came to thank us for sponsoring her Rotary Student Exchange. She's obviously adopted because there's no way that pretty girl came from him! Dan made a pitch for more Rotary Host Families as the more we host the more we can send. And, it's fun!
- A special opportunity for Coronado Rotarians to tour the UCSD Stem Cell lab has been offered by Dr. Larry Goldstein. Please RSVP to Ashley Garrett at ahgarrett@ucsd.edu or (858)822-3455. The date is August 27.

The Family of Rotary

Please contact **Mary Sternad** at 522-9452 or pssternad@aol.com for updates and information.

- Don't forget to visit **Larry Wade** at the Villa. If you give them twenty-four hours notice you can bust him out of there for coffee or Rotary.
- While we're at it, **Ralph Mitchell** could use a ride to Rotary, but he won't come up on the Scribe's bicycle. He needs a car.

FINES & RECOGNITIONS

1. Cheesy birthday "recognitions" were non-existent today, but **Tom Smisek** copped to his son's birthday and his 40th wedding anniversary. \$50
2. \$75 Non-Rotarian announcement: The Chamber of Commerce Annual Golf Tournament will be September 19th at the Coronado Golf Club. Contact the Chamber office by September 16 to play or sponsor. **Donna Ball** paid for the commercial.
3. Un-paid non-Rotarian Announcement: The Main Street Garden Party will be September 6 th, after which **Toni Gaylord's** special guest Rita Sarich can be inducted.
4. **Phil Monroe**, candidate for mayor, confessed to attending his 55th high school reunion. It was fun, but there were an awfully lot of old people around.
5. Fined in abstentia were **Mike Dabbar** and **Russ Johnson**. **Jeff Alison** made the mistake of

- showing up and they all got whacked for not wearing their Rotary pins on 4 th of July.
6. Hard to believe but we actually have a Rotarian pushing a booze ban. **Larry Peterson** carrying the Cays' water in favoring the ban on consumption of alcohol on the Silver Strand. For the nice article in the U-T Larry volunteered \$100 and a six-pack of O'Doul's.
 7. This is the stuff movies are made of. **Dave Johnson** was trying to help his daughter get married and somehow managed to slice off part of his finger, so he spent the afternoon in the ER emerging just in time, and bloodless, to give his daughter away and give his last \$50 to Rotary.

PROGRAM

Ross White introduced Jim Kidrick, CEO of the San Diego Air & Space Museum, who brought us up-to-date on the happenings at that venerable establishment. They have a price-less collection of vintage aircraft on display in Balboa Park or in their hangars at Gillespie Field. They are working very hard to keep their exhibitions relevant and current, and answering the question, "Why will someone come back to this museum?" Upcoming and ongoing exhibits include a Star Trek exhibition, a Da Vinci exhibition coming in 2009, and the Hall of Fame Gala on October 25, 2008 with the induction of many aviation legends.

MEMBERSHIP

The following individuals have been approved by the membership committee to receive an invitation to join the Rotary Club of Coronado. If any member has an objection to the proposed invitation please make your reasons known, in writing, within ten (10) days of this publication.
