NOTES FROM THE SCRIBE:

"We've been working on....singing." So, after the invocation and Pledge by Rotarian of the Day **Jim Loiselle, President Al** brought up the songmeister and Mike Woiwode led us in "I've been working on the railroad." We're getting better at this, as long as the songmeister picks songs we know.

ROTARY NOTES OF INTEREST AND ANNOUNCEMENTS:

- The ever-popular Foundation Seminar will be held at the Salk Institute on September 13. If you're not among the thousands going to the USC-Ohio State game make plans to attend.
- **Ron Beaubien's** son Layne led the USA Olympic water polo team to a silver medal. Seeded ninth and finished second. Well done!
- Colin Bowman, **Samantha Bowman's** son, came to thank us for our on-going support of scouting in Coronado and especially his Eagle Scout project. **Jim Gallagher** made the \$25 mistake of criticizing how Colin wore his American flag patch.
- It's that time of year again! Prostate screening is at hand. **Harriet Sangrey** is looking for volunteers! Saturday, September 20 at the hospital medical office building. 8:30 a.m. to 10:30 a.m. First come, first served!
- La Jolla Sunrise Rotary is hosting their 17 th Annual LJ Cove to La Jolla Shores swim and paddle Thursday morning (early) September 18. Proceeds will benefit San Pasqual Academy. (The Scribe has done this and it's fun!)
- **Suzanne Manuel** is looking for bleeders. Balboa Hospital needs blood so if you have a military ID please go and give blood. Sorry, draft dodgers are not welcome at this time. (Just kidding, if you don't have an ID go up to the blood bank on Upas.)
- WHO AM I? Our newest member, **Jim Loiselle** has degrees from USD and SDSU, did a stint in the Navy, and now works for Accenture. He and his wife have a young daughter and Jim is very active with the Coronado Schools Foundation and now Rotary.

The Family of Rotary

Please contact **Mary Sternad** at 522-9452 or pssternad@aol.com for updates and information.

- Don't forget to visit **Larry Wade** at the Villa. If you give them twenty-four hours notice you can bust him out of there for coffee or Rotary. Larry's at the hospital now and he welcomes visitors.
- While we're at it, **Ralph Mitchell** could use a ride to Rotary, but he won't come up on the Scribe's bicycle. He needs a car.
- A card was passed for **Maury Shaw** who's fighting medical problems.

PROGRAM

Phil Monroe did the honors today and introduced Ruben Barrales, President and CEO of the San Diego Regional Chamber of Commerce. The Chamber is trying to be the leading voice for business in San Diego. Mr. Barrales had an interesting background growing up the son of immigrant laborers in San Mateo County. He matriculated at UC Riverside and then moved back to NoCal to become the most highly educated roofer in San Francisco. Being the son of hardworking entrepreneurial types he realized at an early age the problems that government regulation can have on small growing businesses. At twenty-nine he was elected to the San Mateo County Board of Supervisors and then re-elected once before a disastrous run for state controller. That loss led to a new opportunity and he joined the Bush Administration as inter-governmental liaison. Now he's here and we'll see if a solid right-winger can do something positive with the regional C of C.
