20 September	Prostrate Screening	Harriet Sangrey
14 October	Board Meeting	President Al

### NOTES FROM THE SCRIBE:

Yahoo! No Singing! **President Al** called the meeting to order, gave the invocation, led the Pledge, and then made his first mistake of the day. He asked **Lionel Rowe** to introduce our visiting Rotarians. Lionel is a two-time offender and the Three Strikes Law may come into play if he murders anymore names. He got most of them mostly right today. We had "Guy and Doll" on the microphones (**Guy Zeller** and **Heidi Nevitt**).

### ROTARY NOTES OF INTEREST AND ANNOUNCEMENTS:

- The "Best Ever" Foundation Seminar will be held at the Salk Institute on September 13. If you're not among the thousands going to the USC-Ohio State game make plans to attend.
- **Ron Beaubien's** son Layne led the USA Olympic water polo team to a silver medal. Seeded ninth and finished second. Ron made the report and said the Coronado kids did us proud.
- It's that time of year again! Prostate screening is at hand. **Harriet Sangrey** is looking for volunteers! Saturday, September 20 at the hospital medical office building. 8:30 a.m. to 10:30 a.m. First come, first served! Reach out and touch your fellow Rotarians and friends!
- La Jolla Sunrise Rotary is hosting their 17 th Annual LJ Cove to La Jolla Shores swim and paddle Thursday morning (early) September 18. Proceeds will benefit San Pasqual Academy. (The Scribe has done this and it's fun!)
- **Suzanne Manuel** is looking for bleeders. Balboa Hospital needs blood so if you have a military ID please go and give blood. Sorry, draft dodgers are not welcome at this time. (Just kidding, if you don't have an ID go up to the blood bank on Upas.)
- Attention Red Badgers, and other interested parties. The monthly board meeting of the Rotary Club of Coronado is held on the second Tuesday of each month. They are held at the world headquarters of The Gensler Group, 120 C Avenue at 4:30 p.m.
- Don't forget Flags on the Avenue on September 11. Meet at First & Orange at 7:00 a.m. to put them up and again at 5:00 p.m. to take them down. How come we don't meet at **Mike O'Connor's** bar afterward for fellowship?
- We need a host family for a Belgian exchange student. Please contact **Heidi Nevitt** for details.
- **Gerry Easton** inducted our newest member, **Mavis Cain-Benton**, who was sponsored by **Jerry Winter**. Mavis is a private banker at Wells Fargo.

### The Family of Rotary

Please contact **Mary Sternad** at 522-9452 or [pssternad@aol.com](mailto:pssternad@aol.com) for updates and information.

- Don't forget to visit **Larry Wade** at the Villa. If you give them twenty-four hours notice you can bust him out of there for coffee or Rotary. Larry's at the hospital now and he welcomes visitors.
- While we're at it, **Ralph Mitchell** could use a ride to Rotary, but he won't come up on the Scribe's bicycle. He needs a car.

### FINES & RECOGNITIONS

1. Where were you 36 years ago? We know **Craig Clarke** was in the Hotel Del celebrating his

wedding night. \$100, plus \$20 for being a dope and leaving his hat at the Shadow Cabinet meeting.

2. **Paul Plumb** was \$50 proud that **Brian Sebanaler** assumed the training command at the Amphib Base and Brian reciprocated the \$50 in thanks to Paul and the fact that Brian's 90-year old father surprised him at the ceremony.
3. **Heather Furlong** and Wells Fargo are sponsoring the final Concert in the Park this Sunday. There was a nice picture in the Eagle, sans Rotary pin, of course. \$75.
4. **Toni Gaylord** noted that Sen. Fred Thompson used the Rotary motto of "Service Above Self" in his speech at the Republican Convention last night.

## **PROGRAM**

Our guest today was Dr. Mary Lyons, president of the University of San Diego. The school with the GOOD sports program in San Diego. She was introduced by **Dr. Walt Heinecke**. Dr. Lyons has an undergraduate degree from Sonoma State, a masters from San Jose State, and her doctorate from Cal (There is no such school as "University of California AT Berkeley"). She also had a career in the US Navy reserves and is in her nineteenth year as a college president, including a stint at the California Maritime Academy where she had the good fortune to follow **Joe Rizza's** tremendous leadership. She spoke to us on the dynamic growth of USD in the last five years in all areas of school life. Her goal is for USD to be a "Beacon of Light" to the world, not the "Fortress on the Mesa." She is endeavoring to make USD competitive with the "great" schools like "USC, Harvard, and Stanford," and it is from this pool of applicants from which they draw their students. They are becoming very international in their world view and have many cross-discipline projects they are sponsoring throughout the world and in their own backyard. And, best of all, five of their teams made it to NCAA playoffs!

**RAFFLE:** You know them, you love them, and you can't live without them -- buy raffle tickets weekly.

***The difference between "ordinary" and "extraordinary" is just a little "extra."  
Now go out and be EXTRAORDINARY!***
