NOTES FROM THE SCRIBE:

Microphones to the contrary notwithstanding we actually got a meeting going today with **President Al** calling on **Jon Palmeri** for the invocation and Pledge and then doing the honors himself introducing our visiting Rotarians. Where's the BIG CHECK?

ROTARY NOTES OF INTEREST AND ANNOUNCEMENTS:

- The "Best Ever" Foundation Seminar will be held at the Salk Institute on September 13. If you're not among the thousands going to the USC-Ohio State game make plans to attend.
- It's that time of year again! Prostate screening is at hand. **Harriett Sangrey** is looking for volunteers! Saturday, September 20 at the hospital medical office building. 8:30 a.m. to 10:30 a.m. First come, first served! Reach out and touch your fellow Rotarians and friends!
- La Jolla Sunrise Rotary is hosting their 17 th Annual LJ Cove to La Jolla Shores swim and paddle Thursday morning (early) September 18. Proceeds will benefit San Pasqual Academy. (The Scribe has done this and it's fun!)
- **Suzanne Manuel** is looking for bleeders. Balboa Hospital needs blood so if you have a military ID please go and give blood. Sorry, draft dodgers are not welcome at this time. (Just kidding, if you don't have an ID go up to the blood bank on Upas.)
- Attention Red Badgers, and other interested parties. The monthly board meeting of the Rotary Club of Coronado is held on the second Tuesday of each month. They are held at the world headquarters of The Gensler Group, 120 C Avenue at 4:30 p.m.
- The Board of Directors met yesterday evening and there was nothing of importance to note other than they're working on ways of spending your donations.
- New club directories are finally here! Be sure to claim yours if you haven't already. They'll be available for the next few weeks at club meetings. One per member please. Additional copies are available for purchase.
- **Ross White** is still taking reservations for the ever-popular Rotary Night at the Opera. It's only seven months away, April 3, 2009, so mark your calendars. It's party hats and horns!
- In what might have been mistaken for our program, **President Al, Ross White, and Lionel Rowe** gave Dora Beatrice our \$1500 matching grant donation for ultra-sound machines for Bolivia. We believe this was part of the deal since they let Lionel go without causing an international incident. Now, what is this about **Dan Gensler** having nine children? Is he running for vice-president?
- **Steve Moffett** is helping the Rotary Club of Camp Pendleton by collecting "gently used" eyeglasses. Bring them to Rotary or Steve's office and they will be repaired and sent overseas with the Marines.
- Who wants to go back to middle school? **Mark Thompson** needs a volunteer to be our Club liaison to the Midderact Club at CMS. Contact Mark to help out. It only involves four or five meetings a year.
- **Greg Walker** did the honors and inducted our newest member, Jeff Felix. Jeff was sponsored by Doug Metz and is our new superintendent of schools. Jeff knows the drill, he's a longtime Rotarian and he's transferring in. Jeff almost broke **Dan Orr's** record for the fastest fine (**Ed Lohlein** fined him \$30 BEFORE he left the podium), but **President Al** let him slide.

The Family of Rotary

Please contact **Mary Sternad** at 522-9452 or pssternad@aol.com for updates and information.

- Don't forget to visit **Larry Wade** at the Villa. If you give them twenty-four hours notice you can bust him out of there for coffee or Rotary. Larry's at the hospital now and he welcomes visitors.
- While we're at it, **Ralph Mitchell** could use a ride to Rotary, but he won't come up on the Scribe's bicycle. He needs a car.

FINES & RECOGNITIONS

1. Where in the world is **Bill Gise**? Making wine in his Rotary shirt apparently. Unfortunately, Bill did not get much credit for having his picture in Coronado Lifestyle WITH his Rotary shirt on. \$75 debit.
2. **Phil Monroe** threw the ugliest hat into the ring for mayor as reported by Coronado Lifestyle. That was free. Shamelessly campaigning behind his terminally cute granddaughters even with a Rotary shirt cost him \$75.
3. Did you know that **Barry Thomas** was a general contractor? Readers of Coronado Lifestyle (see a recurring theme here?) do, and now you do too. \$75 for the advertisement. Again, no mercy for doing what is required by having your picture taken with Rotary finery one.
4. **Debby Syverson's** athletic son has graduated from Princeton. **Bob Syverson's** academic son got his picture in Coronado Lifestyle for giving out studying advice. Bob was fined \$75.
5. Coronado Lifestyle is the gift that keeps on giving and **Charles Hayes** is the next victim. Charles had a whole spread on his new very BIG house including a nice picture of him in the library coloring the first book. We learned the difference between a "yacht" and a "fishing boat" and Charles learned how to graciously part with \$200.
6. **Russ Johnson** will celebrate his 42 nd wedding anniversary tomorrow. He had no fun on his 35 th. \$50 for the confession.
7. **Jim Mushovic** has a son recently married and a daughter off to dance with the Bolshoi. \$50
8. For knowing that his induction date is September 13 and also knowing it was two years ago **Jim Kaufman** is off the hook.

PROGRAM

It was a very fun program today! **Ross White** introduced Thomas Kendrick who spoke about his career as a diver for sea urchins. You had to be there, but it was interesting and funny to hear how Tom went from being a surf bum to a diving entrepreneur. It's better to be lucky than smart sometimes and he had the good fortune to stumble on sea urchins just when it was determined that they were eating up all the kelp, yet at the same time sea urchin roe is considered a delicacy in Japan. Simple supply and demand. Along the way he met some crazy people, had some crazy adventures, and lived to write a book. The Scribe forgot the name of the book, but if you look up Thomas Kendrick on Amazon I'm sure you'll find it.
