NOTES FROM THE SCRIBE:

Stop the madness! Singing at Coronado Rotary? R-O-T-A-R-Y! Given our guest speaker, at least **President Al** had the good sense to get a veteran prayer giver to offer the invocation and lead the Pledge. **Chuck Howe** was that person and he even got to introduce the visiting Rotarians. "Bankers who got out on time" was the theme of the microphones: **Vernie Welch** and **Fred Mullins**.

ROTARY NOTES OF INTEREST AND ANNOUNCEMENTS:

- It's that time of year again! Prostate screening is at hand. **Harriett Sangrey** is looking for volunteers! Saturday, September 20 at the hospital medical office building. 8:30 a.m. to 10:30 a.m. First come, first served! Reach out and touch your fellow Rotarians and friends!
- Attention Red Badgers, and other interested parties. The monthly board meeting of the Rotary Club of Coronado is held on the second Tuesday of each month. They are held at the world headquarters of The Gensler Group, 120 C Avenue at 4:30 p.m.
- **Steve Moffett** is helping the Rotary Club of Camp Pendleton by collecting "gently used" eyeglasses. Bring them to Rotary or Steve's office and they will be repaired and sent overseas with the Marines.
- Who wants to go back to middle school? **Mark Thompson** needs a volunteer to be our Club liaison to the Midderact Club at CMS. Contact Mark to help out. It only involves four or five meetings a year.
- The District Foundation Seminar was all Coronado Rotary all the time. Thanks to everyone that helped out especially **Dan Gensler** and **Jim Kaufman**.
- All are invited to meet Sister Ethel at a reception at **Dan Gensler's** house, 830 I Avenue, this Friday from 4:00 – 8:00 p.m.
- WHO AM I? **Chuck Howe** is way too fast and has done too much for the Scribe to keep up with. Let's see, born in Syracuse a couple of days before the founding of Coronado Rotary. US Naval Academy where he played on the soccer team that beat Army twice (since it's a four-year college I assume that means they lost twice as well). Married to Jo-An, and after five cruises they had five children. Chuck was commander of Camp David during the Kennedy and Johnson years and that sounded like fun. After the Navy he worked as an engineer in Saudi Arabia and tried to sneak bibles into the country. He's very active in the Episcopal Church and Coronado SAFE and we're lucky to have him in Rotary.
- Past-president Gerry Easton inducted our three newest Rotarians, **Rita Sarich, Brooks Lewis,** and **Tim Henderson**. They were sponsored, respectively, by **Toni Gaylord, Paul Corriere, III,** and **Dan Orr**. Welcome to the Rotary Club of Coronado.

The Family of Rotary

Please contact **Mary Sternad** at 522-9452 or psternad@aol.com for updates and information.

- Don't forget to visit **Larry Wade** at the Villa. If you give them twenty-four hours notice you can bust him out of there for coffee or Rotary. Larry's at the hospital now and he welcomes visitors.
- While we're at it, **Ralph Mitchell** could use a ride to Rotary, but he won't come up on the Scribe's bicycle. He needs a car.

FINES & RECOGNITIONS

1. Not-so-lame Birthday recognition: **Fred Mullins** just turned 89!

2. We're finally rid of **Jim Gallagher**. He's sold his house, packed his semi, packed his piece, and he's off to the Salt Lick in Hill Country, Texas. Get the \$150 before he blows town!
3. Chamber of Commerce golf tournament this Friday. \$75 non-Rotarian announcement by **Greg Walker**. Fines are doubled when you make fun of **President Al**. Now \$150.
4. **Bob and Mary Griffin** have a new grandson, but since Bob was the only one here he gets the \$50 fine.
5. **Mary Sternad** went to the Reno Air Show where she got to ride in a B-25 and a P-51. \$50 confession.
6. **Bob Schoultz's** son is safely back from Iraq and we are all thankful.
7. Another U-T Athlete of the week. Sally got her dad **Mike Privett** a nice \$75 fine.
8. Lame Club Anniversary fines: **Lionel Rowe**, Ten years on the 9 th, and **Paul Dodson** has one year of perfect attendance on the 19 th. At least he took the \$75 like a man.

PROGRAM

Dan Gensler introduced Sister Ethel of Port Elizabeth, South Africa and the Missionvale Care Center. They showed a DVD of the history of the Care Center over the last twenty years. The Center was Sister Ethel's response to the HIV/AIDS epidemic sweeping the African continent. What started under a tree in the slums of Port Elizabeth has grown into a mission serving 500-600 families a day with health, education, and nutrition services. The Rotary Club of Coronado is involved as one of **Dan Gensler's** matching grants funded a van for the Center's use. You can get on their newsletter list by emailing missionvale@netsurfers.co.za.

RAFFLE: You know them, you love them, and you can't live without them -- buy raffle tickets weekly.
