NOTES FROM THE SCRIBE:

Ann Scott opening the meeting with a lovely invocation and **Lionel Rowe** actually got all the names of the visiting Rotarians right! Of course, they were single syllable names. The Navy SEALs had the mics today, **Dan'l Steward** and **Brian Sebanaler**, so speak quickly or they'll have to kill you!

ROTARY NOTES OF INTEREST AND ANNOUNCEMENTS:

- Good news! It's still the best deal in town! Bad news! Ticket books for lunch are now \$200 for ten. Individual tickets are now \$22 each. Coffee tickets stay the same at \$50 for ten.
- Attention Red Badgers! The next Rotary Info II will be held Tuesday, February 17 th at 5:30pm at the home of **Bob Shugert**. Give him a call if you plan to attend: 429-6330.
- **President Al** presented our \$500 donation to Dr. Sergio Flores and Coronado Youth Soccer so they can teach little Euro-socialists how to play for a tie.
- Don't forget that beach clean-up is NEXT weekend, February 14. Hopefully, **Tim Cusick** will be off the DL. If not, **Bob Rutherford** and **John Klinker** have the con.
- What day is the golf tournament? **Bob Plumb** is calling on all of you to either sign up to play, sponsor a military person to play, get your friends to play, or at least show up for the putting contest. March 27 is the answer.
- Low Tide Ride & Stride will be June 28 th and will support the C5 unit at Balboa Hospital.
- **Mark Andrews** announced our new RYLA participants from CHS and thanked **Bonnie Carpenter** and **Marilyn Smith** for their help during the interview and selection process. **Bob Schoultz** has volunteered to be a facilitator and will be terrific.
- Rotary Lesson: Spontaneous auctions don't seem to work with this group. Tickets to the Buick Open and some opera event went unappreciated. Late news! **Dave Knop** stepped up to see the opera.
- District Council is next Tuesday night. Sign up at the District website which is on the contact link on our website.

THE FAMILY OF ROTARY

Please contact **Mary Sternad** at 522-9452 or pssternad@aol.com for updates and information.

Please keep **Ken Mischel** and his family in your thoughts and prayers as Ken's wife Amy passed away this morning.

FINES & RECOGNITIONS

1. **Russ Johnson** got a pass on being in the paper as a supporter of the arts and the historical society. He's going around the world via Dubai on the Queen Mary II starting next week and hopefully he'll be home before **President Al's** term is over so that **President Al** can extract his

pound of flesh.

2. **Mark Thompson** has finally gotten his master's degree in something from USD. \$50.
3. You do the math: How many years has **Doug Weisbarth** been in Coronado Rotary if he joined January 25, 1984? If you guess \$75 you win!
4. **Langdon Smith** got a bad rap from **President Al**. Langdon observed that he "joined at the turn of the century." **President Al** said he was wrong as he "joined on January 31, 2001." It cost Langdon \$75, but **President Al** better check when the "turn of the century" actually occurred.
5. In the triumph of hope over experience **Phil Monroe** announced he was running for the open city council seat to provide "adult supervision." His campaign treasury is now has \$75 less in it.

PROGRAM

Our speaker today, introduced by **Walt Heinecke**, was Dr. Heidi Kraft who was going to talk to us about post traumatic stress disorder. Dr. Kraft is a navy junior married to an Annapolis grad who took a Marine designation (talk about stress!). Depending on your viewpoint this was either a lousy program because there was no discussion of PTSD, or one of the great programs as Dr. Kraft related in prose, poetry, and powerpoint her time in Iraq at the height of the war. Dr. Kraft served in a MASH unit for seven months caring for injured Marines and she has memorialized her deep insights in a book called "Rule #2." Most of the proceeds on sales of Rule #2 will go the Semper Fi Fund.

Never before seen at Coronado Rotary....
