NOTES FROM THE SCRIBE:

The Second Century of Rotary started today with Rotarian of the Day, **Bill Gise**, offering the invocation and leading the Pledge. Our historical Rotarian was J. William Fulbright of the Fayetteville, Arkansas Rotary Club, the US Senate, the Fulbright Scholarship, and Bill Clinton's mentor. Well, you can't win them all. **Walt Heinecke** introduced all two of our visiting Rotarians.

NOTES OF INTEREST:

1. The **Jim Laslavic** Charity Golf Tournament sponsored by EDCO and presented by the Rotary Club of Coronado Tigerettes were back! **Suzanne Popp** and **Carol Dorman** are trying to "work" their way to Hawaii by making sure you sell or buy your blue raffle tickets. Please sell your tickets or there's no telling what they'll show up as next week!
2. **Gerry Easton** was called to the podium to induct **Bob Parker**, **Art Wilcox**, and **Ethyanne Ochoa** as our newest Rotarians. Welcome aboard! We look forward to serving with you.

3. **Bill Gise**, our Rotarian of the Day, is a native of Coronado, went to all the schools here and played in the first little league game. He is recently retired after 26 years with the city and now devotes his time to his company, "We Can Do That," and fixing up his boat and Shelby Cobra.
4. **President Steve** thanked everyone for making the Centennial such a great day.
5. **Walt Heinecke's** supply of cute coeds seems unlimited. Today he introduced Britt Catton and Liz Raines who have established a Rotaract Club at USD. By acclimation, the Club voted to join Del Mar and La Jolla Sunrise as sponsoring clubs.
6. Tsunami update: Our donations have been gratefully received and will pay for the building of three new homes. Send **Bill Gise** over there and we could stretch that three to five or six.
7. **President Steve** regretfully announced that Polio Eradication is losing some ground in Africa. The UN is involved so I am suspicious.

LIMBS FOR LIFE BULLETIN:

Limbs For Life is looking for your participation and help. The weekend of March 4-6 is an important milestone in our Limbs For Life program. Five patients will be fitted on Friday the 4th and Saturday the 5th. Also, on Friday, there will be a big ceremony at noon in which the Clinic that we built will be officially handed over to the Rehabilitation Center. The press will be there along with local politicians, Rotary leadership and other dignitaries. Please consider coming on down to represent our club on either or both days. Lend a hand and participate--call **Dan Gensler** at 619 230-0545 x 103. **Les Arndt** will be driving the Rotary van from his house at 7:30 a.m. on Friday and **Mike Privett** will be driving the van at 7:00 a.m. Saturday morning. A return by dinnertime is expected on both days.

ROTARY ANNOUNCEMENTS

- A. **Bob Plumb** wants 36 Rotarians with three friends each to sign up for The 8th Annual **Jim Laslavic** Charity Golf Tournament Sponsored by EDCO and presented by the Rotary Club of Coronado. Then we'll be done except for the playing! There's more to this than just golf so if you're not playing, please make yourself available to help out on March 18th.
- B. The Low Tide Ride and Stride committee is still meeting and needs volunteers. Contact **Steve Haley** or **Barry Thomas**. They will also be actively soliciting sponsors for this event.
- C. **Toni Gaylord** is looking for six host families to participate in Rotary Student Exchange. We're sending two out and we'll get two back. The obligation is for three months. Please see Toni ASAP, as we need to finalize the plans. This message is going to run until she gets six families so anyone with extra rooms please step up.
- D. April 17th is Pancake Breakfast day. The work assignments are out. Contact **Roger Boomer** if you'd like him to consider a change in assignment for you. Red Badgers! Think, "grill cleaning!"
- E. **Roger Boomer** is looking for an apprentice for future leadership of the Pancake Breakfast. He doesn't pay as much as The Donald, but the psychic rewards are better.
- F. **Bonnie Carpenter** and her committee have selected four students to attend RYLA.
- G. **Randy Hill** presented the club with a \$100 check and his thanks for all the Rotarians that used his shop for Valentine's Day flowers.
- H. See **President Steve** if you would like to help the Floral Society judge commercial storefronts on April 4, 5, and 6.
- I. Rotary District 5340 will dedicate Rotary Flag Court at Petco Park at the April 8th game. **President Steve** has four ducats for the first persons who will go and then report back to him about the ceremony.
- J. The "Feed the Needy" gang will be meeting March 22 at 5:30 a.m. in the Union Bank parking lot for their next outing to St. Vincent DePaul's. See **Jo Beaty** to sign up and get your white chef's hat.

CORONADO ROTARY CARE AND CONCERN COMMITTEE

1. **Jan Haines** is at Castle Manor, 541 Victor Avenue, National City 91950. I'm sure she'd enjoy cards and letters.
2. **Larry Wade** is staying with friends and can be reached on his cell phone at 760-500-9418

RECOGNITION AND SHARING

Bill and Tami Sandke are celebrating 14 years of marriage and Bill donated \$200 to the endowment fund in grateful thanks for Tami's tolerance of him.

Camille Lutz is no longer "**Camille Lutz**." Since February 19th she is **Camille Lutz Gustufson**. Congratulations Camille, and regrets to all the bachelors in the club.

Vicki Fishbeck celebrated one year in the club and **Becci Rocco**, two. **President Steve** missed that Vicki is going back into the air as a pilot for UPS.

Jim Laslavic was stung for \$25 for NBC 7/39's award for the coverage of soccer. Laz assured us that would never happen again.

Lew Barnum is very grateful that his son-in-law, LT. Col. Ted Banta, is safely leading his Marines back to Miramar after a very successful 7-1/2 month deployment. Lew will sponsor Ted to play in our golf tournament.

PROGRAM

Steve Haley introduced our own **Dave Landon** for the final installment of "The History of NAS North Island." The highlights of "NASNI Jeopardy" was learning through answers and questions that the Navy stooged the Army into paying for the property and then took it from them. We learned that carrier pigeons could fly back to NASNI faster than the aircraft. And, we learned that there was no truth to the rumor that the "non-rigid gasbags" over Coronado were really **Ed Lohlein** and **Bob Plumb**. We also learned that **Bill Betzer** wants equal time.

RAFFLE: You know them, you love them, and you can't live without them --buy raffle tickets weekly.
