30 October	Rotary Aid Station of CAF Triathlon	Dan Orr
29 April 2006	"Rotarians at Work" Day	DG Bob Watson

NOTES FROM THE SCRIBE

A new Rotary Year, a new Rotary Theme, a new Rotary President, and his name is "**President Bill.**" **President Bill** asked for a moment of silence to remember a great American, great Coronadan, and a great friend to many, VADM James B. Stockdale. **Becci Rocco** offered the invocation and led the Pledge and **Lionel Rowe** returned to try and introduce our visiting Rotarians, including two "post-district governors."

ROTARY NOTES OF INTEREST and ANNOUNCEMENTS

1. **DG Bob Watson** has declared April 29, 2006 as "Rotarians at Work" Day in hopes of mobilizing as many of District 5340's 3,700 members as possible. We are charged with going into the community on that day and perform hands-on service.
2. **DG Bob** (and you thought we were through with him) has also asked that each club (including Coronado) recruit a two-person communications team to spread the word about the activities and contributions of Rotary. (We've created a monster!)
3. July is Literacy Month in Rotary.
4. Paul Plumb announced that the Low Tide Ride & Stride netted over \$20,000! Well done committee! We could still use more Rotary volunteers next year.
5. Dick Beh was the "special guest" of **Dan Layton**.
6. **Past President Steve** apparently won't let go of the gavel as it has yet to make its appearance at the podium.
7. Corotator advertising (assuming you want to be associated with this after I get through with it) is available at the low rate of \$100 for a month of advertising. See **President Bill** on this one.
8. Don't forget your Rotary pin or logowear. You got a pass today, but for the next 51 weeks if you aren't wearing your Rotary pin to lunch be prepared to deposit a dollar on the table for 1000 Smiles.
9. July 30 will be Coronado Rotary Day at Petco Park. **Mike Privett** has reserved the Western Metal building for our little soiree. The cost is \$85 and includes some level of food and drinks. (I've been to Petco, \$85 including food is cheap) Sign up as the seats are going fast.
10. If you're looking for a Rotary committee on which to serve this year **Toni Gaylord** would like you to consider International Service.
11. **Kris Grant** and **Cecily Kelley** took to the podium to promote general attendance at the annual International Rotary Convention. Trips are planned to Copenhagen next year and New Orleans the year after. They did promote the shopping aspects of the trip and brought **President Bill** some very stylish Rotary boxer shorts.
12. Coronado Rotarians who wish to attend the memorial services for VADM James B. Stockdale, but do not hold valid military IDs should talk to **Ed Martin** at the next Rotary meeting. The memorial service will be onboard USS Ronald Reagan (CVN76) at 10:00 a.m., Saturday, July 16, 2005. You may sign the memorial guest book at the Coronado Historical Museum.

ROTARY ANNOUNCEMENTS FROM PAST WEEKS

*Return President-elect Bill Sandke's form for next year's time, talent, and treasure pledge.

RECOGNITION AND SHARING

WHO AM I?

A fourth generation Rotarian for one thing. **Derek Witt** has a terrific Rotary pedigree as well as a wife, Tori, and a five-year-old daughter. A graduate of Northern Arizona University (a team UCLA might be able to beat) Derek works for Intel by day, by night he's a rock star drummer. Welcome Derek.

Lazy Les Arndt wanted to thank the Roast Committee and especially **Bob Smyth** and his Lamb's Players make-up department for putting the best face possible on the "Real President Steve."

Phone calls are getting expensive. **Mark Ochendusko** phoned in to deliver **Mike Previtt's** message about Coronado Rotary day at Petco Park. Big mistake not showing up. Toll charges: \$75.

Ditto for **Bob Spear**. He called for **Tim Cusick** to remind everyone of beach cleanup this Saturday.

Dan Layton called President Bill "President Bob" (not even "President Steve"). \$50 for that little mistake.

Lazy Les Arndt set up his 4 th of July Parade viewing area right on top of one of our new flagpole holes. And, he wouldn't move. Maybe he can now that his wallet is \$50 lighter.

Congratulations to **Dick Chilcott** for 18 years in Coronado Rotary. He and **President Bill** are working out the celebratory amount.

In honor of **Paul Payne's** 71 st birthday on Monday the whole city turned out to help him celebrate. They threw him a parade and shot off fireworks. And, it only cost him \$150 in Rotary Dollars.

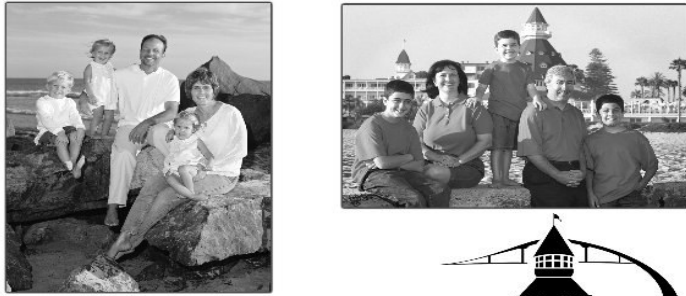

It cost **Bob Plumb** \$10,075 to represent our Club at the International Fellowship of Golfing Rotarians outing in Australia. \$10,000 for the trip and \$75 for the three trophies he brought home.

PROGRAM

Dan'l The Spy, I mean, **Dan'l Steward** introduced his colleague from the SEAL Teams Don Crawford (an Optimist, so HE won't get fined) for a short history of the US Navy SEALs. The SEALs were formed out of the old UDT unit in 1962 for the purpose of unconventional warfare. So, they learned how to kill people and break things unconventionally. It was an interesting trip down memory lane. Ask **Dan'l, Paul Plumb, Langdon Smith, Dwight Settles, or Brian Sebanaler** if any of it was accurate. However, if they tell you, they have to kill you!

RAFFLE: You know them, you love them, and you can't live without them --buy raffle tickets weekly.

***The difference between "ordinary" and "extraordinary" is just a little "extra."
Now go out and be EXTRAORDINARY!***
