NOTES FROM THE SCRIBE:

Past President Scott gave a global recognition of our visiting Rotarians and our guests and then asked for absolution for the players and their victim, apparently some drunken old bum they brought in off the beach.

THE FAMILY OF ROTARY

Please contact **Mary Sternad** at 522-9452 or psternad@aol.com for updates and information.

Rotary members seem to be in pretty good health this week.

FINES & RECOGNITIONS

1. No fines today, but please make good on your Rotary pledge before the end of the Rotary year.

PROGRAM

While you may have thought this was the "program," actually it was just Quad P (past-president **Paul Plumb**) and PP **Greg Walker** passing out our awards for best and worst programs of the year while simultaneously making a play for the awards with their presentations. **Walt Heinecke** received the coveted bottle of Rotary wine (vintage unknown, but think 2009) for bringing us the "best" program of the year, Admiral Gar Wright on Counter-terrorism. The Gong Award went to **Joe Ditle** for a program featuring a speaker who grew up in Coronado and hated the place and the people.

Ed Lowlife and the Never Ready for Anytime Rotary Players had an opportunity to bring a bill of impeachment against Councilman/President Al for high crimes and misdemeanors. So, Rotary was canceled and a special meeting of the Coronado City Council was called and chaired by the City Attorney (**Ed Lohlein**). The Council sitting in judgment were Carrie Oakie (**Vernie Welch**), Barbie DeNinny (**Suzanne Popp**), Mike Whyshouldhebe (**Dan Gensler**), and Mayor Casey TaKnock-Knock (who's there?) (**Scott Metzger**). The bill of indictment: Brainless Construction, Fallacious Boondoggling, and Delusions of Grandeur. Witnesses were called including **John Ovrom** who showed examples of So-So Construction's work on various city projects. Mr. Ali Hussein alla akbar Baba (**Les Arndt**) brought evidence of Councilman/President Al's Love & Peace boondoggle to the Middle East. Rod Blowdryovich (**Bill Sandke**) spoke to the # \$ ^ # * % corruption in city hiring. Finally, the city engineer Scooter Metzger (Mayor Casey Tanaka) brought photographic displays of how Rotary Park has been renamed Ovrom Plaza. After careful deliberation Councilman/**President Al** was sentenced to spend the rest of his natural life in the company of a bunch of tiresome old windbags known as the Coronado Rotary Past Presidents.

This Rotary production was brought to you with the assistance of stage manager **Dean Eckenroth** and the creative genius of **Dan Hutchison**. Pictures to follow!
