And, he got to explain why he has visitors stand up. If you understood him please explain it to the Scribe. Did you know yesterday was the US Navy's 234 th birthday? Me neither. But, we ALL got to sing the Navy Hymn with songmeister and retired Navy captain **Mike Woiwode**. **Walt Heinecke** was also in the house with a young lovely from USD Rotoract. Oh yeah, and a guy from Rotoract.

FINES & RECOGNITIONS

1. Glenn Welch spent seven days in Hawaii and had seventy-five mai-tais. You do the math.
2. Dan Hutchison also spent seven days in Hawaii playing seventy-five holes of golf. You do the math.
3. Tim Cusick was with Dan the Doc, but by Tim's reckoning it was three weeks in Hawaii! It still comes out to \$75 no matter who the company was.

PROGRAM

Howard Somers introduced Dr. Jim Roberts who knows more about urology than he does A/V equipment. The title of his talk was "You and Your Prostate." That's all the Scribe can remember! It was fast and furious and funny. Bottom-line: Don't fear the finger!

RAFFLE: You know them, you love them, and you can't live without them -- buy raffle tickets weekly.

***The difference between "ordinary" and "extraordinary" is just a little "extra."
