PROGRAM

Wow! What a great program, and a last-minute substitute at that! **John Klinker** introduced his new neighbor Steve Baker, Senior Director of Marketing for the San Diego Symphony, who introduced Navi Mehta (yes, related to Zuben), The Voice of the Symphony. Navi hosts "Symphony Exposed" where they tell the history of the various pieces of music that the Symphony has on its schedule. We got to listen to music by Beethoven and Richard Strauss and Navi demonstrated how the composers told stories through music. It was absolutely fascinating! If you call Annette Grieshaber at the Symphony at 619-235-0800 x5403 she has a deal you can't refuse: \$25 seats for the performances between now and the middle of December.

RAFFLE: You know them, you love them, and you can't live without them -- buy raffle tickets weekly.

***The difference between "ordinary" and "extraordinary" is just a little "extra."
Now go out and be EXTRAORDINARY!***
