## NOTES FROM THE SCRIBE:

With two weeks UN-perfect attendance **President Dan'I** let Past-President **Greg Walker** preside. Greg gets the podium every time we get a dues increase, so look for him again in 2027. **Jean Dekker** was Rotarian of the Day and gave the invocation and led the Pledge. There must have been a convention in town as **Dan Orr** had a ton of visiting Rotarians to welcome.

## Rotary Notes of Interest & Announcements

- **Jerry Winter** announced that we made our \$20,000 goal for twenty Shelter Boxes for Haiti. Pay no attention to that article Dave Johnson brought that said the Haitians don't want tents!
- Our newest member, Dr. **Parmela Sawhney**, was inducted by her sponsor **Ron Beaubien**.
- Attention Red Badgers and Sponsors: Bob Shugert will host Rotary Info 2 on Feb. 23 at 5:45pm at his home, 43 Blues Anchor Cays Rd.
- The Rotary/**Jim Laslavic**/EDCO Golf Tournament is tracking perfectly! Two sign-ups! All we need is thirty-three Rotarians with three friends each and we don't have to listen to **Bob Plumb**.
- **Gloria LeBlanc** and the Rotary Haberdashery have an opportunity for all those who want Rotary Logo'd shirts. She has a catalog and can put the Rotary Wheel on anything. They're only \$39.00
- Our annual gift to Everyone a Reader was presented by **Chip Garry** and **Tim Hodges** to Karol McClelland and Libby Riddle.

## News From Past Meetings

- Rotary Board meetings have been moved to the THIRD Tuesday of each month. Same time, same place (the world headquarters of the Gensler Group at 4:30 p.m.).
- If you would like to buy a stove; yes, a stove, for the Missionvale School please contact **Suzanne Popp** or **Tim Cusick**. They are only \$20.
- Teeth Cleaning for Rotary! The Rotary dentists have all gotten together to offer teeth whitening with 100% of the proceeds going to the Low Tide Ride & Stride charities. Professional teeth whitening can be had for \$175 or \$250 if you want Paul Harris credit. There are an infinite number of \$250 procedures available, so if you and your significant other both want whitening you will have \$500 towards your next PHF.
- Bad news and good news from the Board. The bad news is that annual dues are going up to \$240 starting next Rotary year (FYI, the last time dues were raised **Greg Walker** and Ronald Reagan were presidents of their respective organizations, 1987-88). The good news is that lunch prices and pancake breakfast tickets remain the same for the foreseeable future.
- The Rotary Lawn Bowling Team is being formed under the direction of **Bill Hiscock**. Roll-a-Bowl tryouts are at the new Lawn Bowling Rink.
- February 23 will make 105 years of Rotary. It will also be the next Rotary District 5340 golf match. See **Dick Vilmure** if you want to play.

## FINES & RECOGNITIONS

**Past-president Greg** didn't forget how to fine people, just how MUCH to fine them!

- **Tim Cusick** remembered he's been in Rotary for fourteen years.
- **Doug Weisbarth** remembered it will be his birthday in a couple of days. The number is set at \$75. Doug bet the under. He's 71.
- It's **Anna Kirschner's** birthday this week as well. She took the under at \$50, but **past-president Greg** was skeptical.
- **Dave Johnson** has to be the fastest to Rotarian of the Year as he's just celebrating ten years in Rotary. By some contorted math **past-president Greg** multiplied that by thirty and came up with \$75.
- **Bob Syverson** was fined \$100 for not being around to brag on **Debby Syverson's** over-achieving son.
- The Dentists (**Mike Copp, Chris Kleber, Dan Hutchison, and Suzanne Popp** in abstentia) were all fined just for sitting together.
- **Dan Orr** (took the under), **Glenn Welch, and Suzanne Popp** (in abstentia) all share the same birthday with Rotarian of the Day **Jean Dekker's** oldest son. **Past-president Greg** tried to sell **Parker Finch** a photograph of Parker skiing, but Parker got **PP Greg** so tied up in knots that **PP Greg** was confusing "sartorial splendor" with Parker's use of multi-syllabic words.

## PROGRAM

It's always nice when the San Diego politicians come to visit. San Diego Councilman Ben Hueso was introduced by **Phil Monroe** and got to tell us of all the wonderful things he's done since his district had the good sense to elect him. Why, they've even solved San Diego's financial issues which, of course, will be news to all of us who live in the real world. Councilman Hueso is very concerned about water issues and making sure that San Diego sells its water to Coronado at a reasonable price. He also wants to make sure that we have a place to dump our trash, or at least recycle it. Since the assembly-person in his area is term-limited out it's time for him to upgrade and run for the state assembly, where he can really goof things up.

**RAFFLE:** You know them, you love them, and you can't live without them -- buy raffle tickets weekly.

***The difference between "ordinary" and "extraordinary" is just a little "extra."  
Now go out and be EXTRAORDINARY!***
