## NOTES FROM THE SCRIBE:

Happy St. Patrick's Day! The great Irish drinking holiday! **President Dan'I** asked **Mary Sternad** to give the Irish blessing and lead the Pledge. **Ross White** dropped in from Mars to lead the singing of "God Bless America." No, **President Dan'I** did not receive a Rotary Presidential Citation, YOU did! Well done!

## Rotary Notes of Interest & Announcements

- April 24 th will be a big day in the world of the Rotary Club of Coronado. So far we have Rotarians at Work Day, Rotary Night at Lamb's Players, and possibly Rotary Day at our Limb Camp in Ensenada. Do any of these guys check the Rotary Calendar?
- Low Tide Ride & Stride will have bike jerseys available this year. They're custom-made and available for \$45 if we can get at least ten Rotarians to order. Please contact **Howard Somers** and get on the list.
- Your Golf Tournament Opportunity drawing tickets are available. Here's the drill: The winner gets \$2500 cash, money. To buy tickets, do nothing! The office will complete the stub and enter the tickets and you will be billed. Sell the tickets (best choice) and fill in the stub and return it to the office. Decline to participate in which case you need to either return the tickets to Jaimie or contact her and state your decision. But, it must be done by March 26 or you will revert to option #1. The tickets are \$25 each.
- Today was the last day to request different Pancake Breakfast assignments so now it's up to **John Garrett** and you get what he gives you.
- April 7 is Feed the Needy at St. Vincent DePaul. **Suzanne Manuel** and the gang will meet at the Union Bank parking lot at 5:30 a.m. and they'll be home in time for Suzanne's 8:00 tennis game.
- The Scribe was yakking or something and missed the details of **Jeff Tyler's** announcement regarding Lamb's Players and their visit to various Coronado Schools. You're invited to go and see how your donations are being spent, but you have to ask Jeff when and where. He did thank everyone for the over \$1000 donated to the Boy Scouts for their 100 Tons of Food to celebrate 100 Years. And, he did announce the aforementioned Rotary Night at Lamb's Players Theater on April 24.
- **Steve Haley** is fully indoctrinated; I mean imbued with the spirit, in Rotary leadership and will happily help any interested Rotarian acquire a copy of "A Century of Service" for \$15. Or you can borrow **Steve Duermeyer's** for free!
- **Bob Plumb** needs your Golf Tournament sign-ups turned in by Friday, so all you procrastinators please get it done.
- By the time you read this, **Bill Hiscock** will have presided over the ribbon-cutting on the new Coronado Lawn Bowling Rink.
- **Jerry Easton** inducted our newest member **Karen Strabala**. Karen's classification is "retail-women's clothing" and her sponsor is **Patty Cowan**. Welcome Karen! Please take the time to meet Karen.

## News From Past Meetings

- Rotary Board meetings have been moved to the THIRD Tuesday of each month. Same time, same place (the world headquarters of the Gensler Group at 4:30 p.m.).
- If you would like to buy a stove; yes, a stove, for the Missionvale School please contact **Suzanne Popp** or **Tim Cusick**. They are only \$20.
- Teeth Cleaning for Rotary! The Rotary dentists have all gotten together to offer teeth whitening with 100% of the proceeds going to the Low Tide Ride & Stride charities. Professional teeth whitening can be had for \$175 or \$250 if you want Paul Harris credit. There are an infinite number of \$250 procedures available, so if you and your significant other both want whitening you will have \$500 towards your next PHF.
- The next District 5340 lunch meeting will be on March 19 at the San Diego Country Club. Start time is 12:00pm, but arrive early to check in for a make-up. Address: 88 L Street, Chula Vista, 91911.
- Limbs of Freedom will have their next field trip either April 17 or 24.
- **Steve Duermeyer** reminded us that even if you don't play golf you can still support our largest

fundraiser by either sponsoring a hole, sponsoring a tee, or sponsoring a military golfer. The base rate is \$175, but if you donate at least \$250 you get Paul Harris Fellowship credit even though all the money stays with us in Coronado.

- Rotarians at Work Day will be April 24 and we will be supporting either Camp Surf in Imperial Beach or San Pasqual Academy in Escondido. **David Lowenberg** is the wagonmaster and it was created as an "all hands" event, so save the date.

## The Family of Rotary

Please contact **Mary Sternad** at 522-9452 or [psternad@aol.com](mailto:psternad@aol.com) for updates and information.

## FINES & RECOGNITIONS

- They came fast and furious today!
  - **Glenn Welch** spent a week sailing in the British Virgin Islands.
  - "It was a great day for hockey." What's hockey? **Mark Thompson** is claiming some connection to the Winter Olympics and to, apparently, some type of game that the Canadians must have won against someone. Curling?
  - **Russ Johnson** just returned from an educational cruise (Right! That's what those Stanford types always say.) in the Pacific Ocean. They stopped at Guadalcanal for what Russ described as a very emotional tour of that famous battleground.
  - **Ross White** donated the \$120 he won at a bridge tournament during a Mexican cruise to Rotary.
  - **Suzanne Manuel** was grouching that she was fined for having her picture taken promoting a Rotary event. Tough!
  - Have read the recent issue of "Law & Politics" magazine? No one else has either so we'll have to take **Scott Metzger's** word that they named him a "Super Lawyer." Unfortunately, he can't parlay the offer into higher fees.
  - If you got your name and picture in **Kris Grant's** Coronado Lifestyle Magazine you will probably get a nice note from the Rotary Office. But, **President Dan'I** read the names too fast for the slow-witted Scribe.

## PROGRAM

**Nancy Santos** brought us one of those programs that you wish didn't have to end at 1:30 p.m. Dr. Richard Lieber is a former colleague of Nancy's at UCSD and was kind enough to come down and share some of the new developments in orthopedics as they apply to spinal cord injuries. The Scribe is sorry that there's not more to report as it was one of those enthralling programs that's so good that the Scribe would rather listen than write. Dr. Lieber's lab has received "stimulus money" so anyone is invited up to UCSD and visit their money and see what he's up to. It's an "open-door" policy.

Rotary Biker Chicks: **Kris** "Don't Mess With Me" **Grant**, **Debby** "Do You Like Me in Red?" **Syverson**, **Sandy** "Meet Me in Therapy" **Boyce**, and **Molly** "I Don't Need No Stinkin' Shoes" **O'Manuel**

**RAFFLE:** You know them, you love them, and you can't live without them -- buy raffle tickets weekly.

***The difference between "ordinary" and "extraordinary" is just a little "extra."  
Now go out and be EXTRAORDINARY!***
