31 July	Relay for Life	Mary Griffin

NOTES FROM THE SCRIBE:

The Scribe returns! Oh, and **President Dan'I** came back as well, but with fewer screws in his bones! **Bob Schultz** was called upon to overcome the equipment malfunctions and give the invocation, lead the Pledge, sing the song, and introduce the visiting Rotarians. Then, in shameless plug for his wife, **President Dan'I** previewed the new Steward-produced video "Heroes Among Us." The world premier of "Heroes Among Us" will be Tuesday, May 4 at the Historical Society.

Rotary Notes of Interest & Announcements

- It's a good thing the microphones weren't working today as **Tom Mitchell** presented **Debby Syverson** and San Pasqual Academy our donation of \$1000 so we were saved a Syverson-esque thank you.
- Thanks to all the many Rotarians who posted, despite the "flu," for Rotarians at Work Day. Lots of folks made the trek to San Pasqual Academy and Camp Surf to help with their programs. This is a wonderful legacy of Bob Watson's term as District Governor five years ago.
- **Terry Farrelly** and **Patty Cowan** accepted our \$1000 donation to the Coronado Schools Foundation.
- Apparently there was a bout of the "flu" going around after last week's meeting. Stop your belly-aching, the Del is on the case and will be cleared of these false charges!
- La Jolla Golden Triangle Rotary was in the house today and you're all invited to their Cheers for Charity event called "A Night with the Rat Pack" on June 12. Go to www.lajollagrotary.org for information.
- Villa Coronado is seeking a few good Rotarians (or just one will do!) to speak to residents on or around Memorial Day about their military experience. If interested, please call Jaimie at the office: 435-8334.

News From Past Meetings

- Rotary Board meetings have been moved to the THIRD Tuesday of each month. Same time, same place (the world headquarters of the Gensler Group at 4:30 p.m.).
- Teeth Cleaning for Rotary! The Rotary dentists have all gotten together to offer teeth whitening with 100% of the proceeds going to the Low Tide Ride & Stride charities. Professional teeth whitening can be had for \$175 or \$250 if you want Paul Harris credit. There are an infinite number of \$250 procedures available, so if you and your significant other both want whitening you will have \$500 towards your next PHF.
- The year-end Rotary Golf outing will be at Eagle Crest on May 18. See **Dick Vilmure** if you're

interested in playing.

- International Fellowship of Skiing Rotarians will gather in Aspen next January. This is a great deal so talk to one of the skiers and get on the list.

The Family of Rotary

Please contact **Mary Sternad** at 522-9452 or psternad@aol.com for updates and information.

FINES & RECOGNITIONS

- Welcome to Rotary! **Jeff Loeffler** lost his lunch tickets and had to buy them back from President Dan'l for \$75 thereby raising his lunch cost to \$300.
- Since they're saving money on razorblades **Greg Walker** and **Lew Barnum** both were fined \$75.
- **Cliff Bee** got off easy at only \$75 for a 28-day cruise up and down the Amazon.

PROGRAM

We were joined at lunch today by the Group Study Exchange (GSE) team from District 9200 which includes Kenya and Uganda. Jeanne Kerley of the Rotary Club of Chula Vista introduced the five members of the team who individually gave us their personal biographies. The team includes an ophthalmologist, an Ear, Nose, and Throat doctor, two general practitioners and a dentist (who must have gone to the same school as **Suzanne Popp** as other than filling cavities, they both like shopping).

RAFFLE: You know them, you love them, and you can't live without them -- buy raffle tickets weekly.

***The difference between "ordinary" and "extraordinary" is just a little "extra."
Now go out and be EXTRAORDINARY!***
