### NOTES FROM THE SCRIBE

If you were there you took part, if you weren't you missed the most fun Rotary meeting I've attended in my eleven-plus years of being a Rotarian. **Mickey Bourke** prayed for peace and love, but we delivered mayhem.

**Linus Rowe** attempted to introduce our visiting Rotarians and it went downhill (or uphill

depending on your perspective) from there.

## ROTARY NOTES OF INTEREST and ANNOUNCEMENTS

1. **Who Am I?** After weeks of being snubbed **Alan Palmore** got to tell us all about himself and his relatives. From humble beginnings in a small Kentucky town of 800 (all relatives) he has risen to become a media mogul. Along the way he has collected a wife, seven children, thirteen grandchildren, and the Kennedy Phone Book. He's also the fourth cousin twice removed of Johnny Depp and that and \$5.25 will get him popcorn at the next Pirates of the Caribbean movie.
2. Sept. 10 is the date for both the Prostate Screening at Sharp Coronado Hospital and for the Rotary International Foundation seminar at the Salk Institute. Insert your punch line here.
3. We were honored to have Martina Benedetti of Genoa, Italy in attendance today. She is our in-bound Rotary exchange student this year.
4. **Al Ovrom** is leading the charge to have this "publication" sent out exclusively via E-mail, rather than some E-mail and some printed. The E-mail delivery should save the club between \$2,000 and \$3,000 this year.
5. **President Bill** played Rotary Golf this week, but isn't invited back.
6. Michael Perlman, Patrick Yassini, and Don Cunningham were the special guests of **Ross White, Kris Grant, and Vic Todaro.**
7. **Gerry Easton** inducted our newest members **Ron Verneti** and **Larry Peterson.** Please make a point of getting to know these fine new Rotarians.
8. Maureen Hart and Kathie Zortman (Mrs. AIRPAC) accepted our \$1000 donation to Wings Over America. This is a scholarship program for the children of aviators of all branches of the service. The only curious part of the presentation was the thought that some students might have trouble getting into Florida colleges. Trouble getting into FSU or Miami?

## THE FAMILY OF ROTARY

**Jane Simeral** is our new contact for the Family of Rotary Committee. Please phone or email her with information concerning illnesses, hospitalizations, etc. of our Rotarians or their family members. Please contact Jane if you are interested in serving on this committee. 619-435-6025 or [jsimeral@pacbell.net](mailto:jsimeral@pacbell.net).

## RECOGNITIONS

**President Bill** must be off his game. Either that, or he's already fined everyone everything they owe, but for the second week in a row it was a fine-free Wednesday.

## PROGRAM

- That gutty little Golden Domer, **Tim Cusick**, introduced our friend, neighbor, and constant make-up Barry Lorge for trip down memory lane at Wimbledon. Barry had wonderful reminiscences of his twenty years covering Wimbledon for the Washington Post, Tennis Magazine, The Union-Tribune, and Tennis Chicago. After being graduated from USC of the East (Harvard) Barry's first assignment, after interning with the immortal Bud Collins, was to cover the Ladies Final at Wimbledon in 1970 between Billie Jean King and Margaret Court. His 35-year association with tennis and Wimbledon have the two epic matches as bookends. King and Court in 1970 and Williams and Davenport in 2005. Barry's remembrance was filled with greats of the sport: Laver, Newcombe, Frazer, King, Court, Evert, McEnroe, and Sampras. He's seen them all up close and personal as he trod the hallowed grounds.
