NOTES FROM THE SCRIBE:

The King is dead! Long live the King! A new Rotary year, a new Rotary president, same grand venue. The reign of **President Tim** has begun with a flourish, and a few fits and starts. In an inverse universe, **President Tim** is perfect! Now, if he can just remember the order in which we do things around here. **Walt Heinecke** gave the invocation, remembering **Jeff Loeffler** who lost his life in a plane crash last Thursday, Rotarian of the Day **Ray Jones** led the Pledge, and **Mike Woiwode** led us in the aviator's version of the Navy Hymn. Jeff's sponsor **Steve Haley** gave a nice memorial in Jeff's honor. Finally, **President Tim** recognized the return of **Dan Runyon** and **Dan Layton** and that **Jerry Winter** seems to be sleeping in his Rotarian of the Year jacket.

Rotary Notes of Interest & Announcements

- It's worth announcing again: **Jerry Winter** is the Rotarian of the Year. Congratulations Jerry!
- **Suzanne Popp** introduced four more of our outbound Rotary exchange students. These are going to Austria, Turkey, Sicily, and Belgium. Oh, to be young and stupid again!
- There will be an impromptu "wake" for **Jeff Loeffler** at **Mike O'Connor's** bar, Island Sports and Spirits tomorrow (Thursday) at 4:00 p.m.
- Make plans to come to Concert in the Park this Sunday and meet our inbound Rotary exchange students. They will set up on the C Avenue side of the park. It's sort of potluck, so bring something and a chair. Contact **Karen Strabala** if you have any questions.
- Beach cleanup is this Saturday morning at 8:00 a.m. at Central Beach.
- **President Tim** presented **Mary Griffin** with our annual donation for Relay for Life.
- Join Facebook! **Gloria LeBlanc** has set up a Coronado Rotary Facebook account, but just like real Rotary, you have to be invited so make sure your email address is up-to-date at the office.
- We have a small issue with Flags on the Avenue. Normally, we're over-volunteered, well on the afternoon of the 4th of July we were woefully under-volunteered. Basically, **Doug Weisbarth** had to pick up ALL 180 flags by himself. We are instituting morning and evening coordinators and **Dwight Settle** and **Ginger Cox** have stepped up. The details on how this works will be forthcoming, but suffice it to say that Doug will not have to do it alone again!
- Who Am I? An Army lifer, for sure. **Ray Jones** was literally born into the Army and the Cold War in Berlin in 1961, two weeks before the Berlin Wall went up. He's been fighting god-less commies ever since! In fact, his dad was in the Army, he met his wife in the Army, and now his son is in the Junior NROTC (oops!). Ray also has a daughter, but no word yet on her Army status. He's a graduate of West Point and holds three master's degrees which he will happily trade for one Ph.D. Before being sent to San Diego his most interesting post seemed to be a small island in the South Pacific where he was the target for Navy target practice!

News From Past Meetings

- Rotary Board meetings have been moved to the THIRD Tuesday of each month. Same time, same place (the world headquarters of the Gensler Group at 4:30 p.m.).
- Rotary Day at the Races will be August 21. It's a Saturday so see **Bill Sandke** if you want to attend. Bonus! **Bob Kipperman** and **Megan "The Megan" Richmond** will be social directors, so hang on to your hats!
- Coronado Rotary joins the 21st century! **Gloria LeBlanc** has set up a Coronado Rotary Facebook page. Facebook is a social network so you can use it for all sorts of things and if you're in doubt, ask Gloria.
- Mark your calendars for this year's Relay for Life. It will be at Glorietta Bay Park on July 31 and August 1. **Mary and Bob Griffin** are the chairs so watch for forthcoming information.
- Keep your eyes open for next year's planning guides. When you get yours please fill it out and return it for **President Tim's** use. If YOU don't make choices, HE'LL make them for you.

The Family of Rotary

Please contact **Low Barnum** at 435-8096 or 316-9875 or lewb3@sbcglobal.net for updates and information.

We are very sad to announce the death of Rotarian **Jeff Loeffler** in a plane crash. Also, Barbara Sewall, widow of longtime Rotarian **Dick Sewall**, passed away last week.

On the positive side, **Toni Gaylord** is back in the game! And, so is **Dwight Settle**, although he's still on four wheels.

Mavis Cain-Benton, Chip Garry, and **Charles Hayes** are all at home recovering just fine from their various surgeries and other problems.

FINES & RECOGNITIONS

- **Steve Moffett** is the proud papa of a new baby boy! And, now he has \$75 worth of diapers.

PROGRAM

Suzanne Manuel, the hostess with the mostest as described by our guest speaker Dr. Edith Eva Eger, introduced the good doctor for her discussion of Post-traumatic Stress Disorder. Dr. Eger is an assistant professor of psychology at UCSD, but being a Holocaust Survivor is what animates her life and practice. Obviously, her life experiences can help PTSD patients get over their victimhood. It is through her experiences in Auschwitz that she can relate to her clients with PTSD.
