NOTES FROM THE SCRIBE:

President Tim rang the second meeting of the Rotary year to order (He's NOT going to count each one is he?). **Jeff Felix** read a nice poem that especially rang home to all of us who have lost our fathers recently. **Paul Plumb**, the resident Rotary rulesmeister, reminded us that we greet visiting Rotarians with; "Hi `name here"" and we clap only for our guests. He demonstrated by introducing our visiting Rotarians.

Rotary Notes of Interest & Announcements

- Join Facebook! **Gloria LeBlanc** has set up a Coronado Rotary Facebook account, but just like real Rotary, you have to be invited so make sure your email address is up-to-date at the office.
- **Ginger Cox** and **Jane Simeral** are hosting a Bead for Life Party in **Jim Kaufman's** garden. Let your wives and sweethearts know to RSVP, and if you're a male and thinking of going, turn in your Man Card.
- What goes on in Montreal, stays in Montreal! **Steve Duermeyer** reported on the RI Convention and encouraged others to attend next year's in New Orleans.
- Turn in your Planning Guides! So far less than half of the club has done so. So much for planning. **President Tim** will just make it up as he goes and it's gonna cost us!
- Twenty-six Rotarians had perfect attendance last year NOT including past-president Dan'l.
- UCSB student Colin Dunn came back to thank us for last year's \$1000 donation to his medical client in Ecuador.
- We have six new Paul Harris Fellows: **Ann Scott**, her first, **Mary Griffin**, **Dan Layton**, and **Jim Kaufman** their second, **Bobby Kennedy** his fifth, and the sixth for **Dave Knop**.
- **Gerry Easton** inducted our newest member **Arie Van Vugt** who was sponsored by **Tom Mitchell**. Arie's classification is Air Traffic Control.

News From Past Meetings

- Rotary Board meetings are the THIRD Tuesday of each month. Same time, same place (the world headquarters of the Gensler Group at 4:30 p.m.).
- Rotary Day at the Races will be August 21. It's a Saturday so see **Bill Sandke** if you want to attend. Bonus! **Bob Kipperman** and **Megan "The Megan" Richmond** will be social directors, so hang on to your hats!
- Mark your calendars for this year's Relay for Life. It will be at Glorietta Bay Park on July 31 and August 1. **Mary and Bob Griffin** are the chairs so watch for forthcoming information.

The Family of Rotary

Please contact **Lew Barnum** at 435-8096 or 316-9875 or lewb3@sbcglobal.net for updates and information.

Everyone who is ill is recuperating fine at home. Lew Barnum needs help bringing Larry Wade to Rotary so there is a sign-up sheet available.

FINES & RECOGNITIONS

- The new Kennedy Phone Book is out and it has such a nice painting on the cover that **Bobby Kennedy** escaped a fine. He was charged \$250 for the advertisement. And, since **Lionel Rowe's** wife painted the picture of the lawn bowling rink he was fined \$75. **Bill Hiscock** was the only one who escaped President Tim's wrath.
- It's **Tom Smisek's** birthday tomorrow. No announced age, but the fine is \$66.
- **Rita Sarich** and **Karen Strabala** are also celebrating birthdays, but only their 39 th and 29 th!
- How does he do it? **President Tim** was able to come up with a one-of-a-kind collector's rugby shirt from the greatest of all institutes of higher learning. Bidding was fierce and loyal. Trojan **Ron Kennedy** barely outbid The Scribe for the cherished USC piece of memorabilia.

PROGRAM

Ross White introduced our guest speaker Susan Koehler of Aseltine School. Aseltine School has been in San Diego for forty-two years serving children whose educational needs can't be met by the public school system. These are basically kids who have been kicked out of public school for behavioral reasons and this is their school of last resort. Conflict resolution classes are the type of things at which they specialize. www.aseltine.org

RAFFLE: You know them, you love them, and you can't live without them -- buy raffle tickets weekly.

***The difference between "ordinary" and "extraordinary" is just a little "extra."
Now go out and be EXTRAORDINARY!***
