NOTES FROM THE SCRIBE:

Our visitors from Arizona and Palm Springs got to enjoy a nice balmy, 80-degree day in Coronado. **President Tim** called on **Ken MacLeod** to offer the invocation and lead the Pledge. **Bob Schoultz** finally found a song we knew! I'm just not sure that the Rotary voices are up for "Battle Hymn of the Republic." **Mark Warner** introduced the visiting Rotarians.

Rotary Notes of Interest & Announcements

- The 2010-2011 Rotary budget was presented. Well, sort of. If you want to see it, it's contact Jaimie at the office. We voted anyway with **Bob Schoultz** making the motion to approve and **Tom Mitchell** seconding. The vote was 130-1.
- Next week we'll be voting on the by-laws. If you want some scintillating reading, contact Jaimie at the office for a copy.
- Dues are DUE. Well, they are past due now and we have a lengthy list of guilty Rotarians. Hint: There is a 1 in 4 chance that your name is on the list! Please remit your \$240 asap or else! See by-laws referenced above for the "or else."
- President Tim thanked Jane Braun, Suzanne Manuel, Karen Strabala, and Heidi Nevitt for a terrific Rotary sponsored Concert-in-the-Park. If you showed up and would like attendance credit, just contact Jaimie at the office.
- You know of the Rotary Ambassadorial Scholarship program and you know how successful it is. It's so successful that our District outkicked its coverage. We have one more scholar than we have homes for. Actually, we have the home and most of the furniture, now we need kitchen utensils. If you have extra please contact **Mary Griffin** and she'll arrange for pick-up.
- **Jeff Tyler** read a nice letter **Debbie Syverson** wrote on behalf of San Pasqual Academy for the fundraiser Lamb's Players held in conjunction with Rotary. There's another one coming up, so watch for dates.
- **Dean Eckenroth** presented our annual donation to Camp Able to director Gene Lemke. We sponsor one week every summer.
- It's all male Rotarians' favorite time of year; prostate screening! Harriett Sangrey announced the date as September 25 at 8:30 a.m. If you'd like to help, they could use a hand.
- **President Tim** extended the Club's thanks to **Paul Plumb** for all he does for the Low Tide Ride & Stride, Flags, beach clean-up, membership, AND he's a four-time Paul Harris Fellow.
- Who WAS I? We got to meet **Paul Payne** a native of West Virginia who went to college at North Carolina and started a personnel staffing business. His company made the INC. 500 fastest growing and Paul was named Entrepreneur of the Year in Arizona. He's lived in Coronado since 2002 and we're happy to have him in Rotary.
- Save the date! October 8 th **Susie Owen** and Rotary are planning an evening of wine and conversation at **Al Ovrom's** house in support of Polio Plus.
- We have a new member! **Jerry Easton** inducted **Peter Jensen**, a lawyer sponsored by **Howard Somers**.

News From Past Meetings

- Rotary Board meetings have been moved to the THIRD Tuesday of each month. Same time, same place (the world headquarters of the Gensler Group at 4:30 p.m.).
- Coronado Rotary joins the 21 st century! **Gloria LeBlanc** has set up a Coronado Rotary Facebook page. Facebook is a social network so you can use it for all sorts of things and if you're in doubt, ask Gloria.
- Want to go to South Africa in December? **Dan Gensler** is putting together a trip to coincide with the arrival of all the shoes that are being donated.
- September 8 will be Coronado Rotary Night at the Padres. It's against the Dodgers, that's the good news.
- Calling all skiers! The annual IFSR (International Fellowship of Skiing Rotarians) trip will be to Aspen the week of January 31 to February 6. If you like skiing, see **Steve Duermeyer** to get in on the fun.

The Family of Rotary

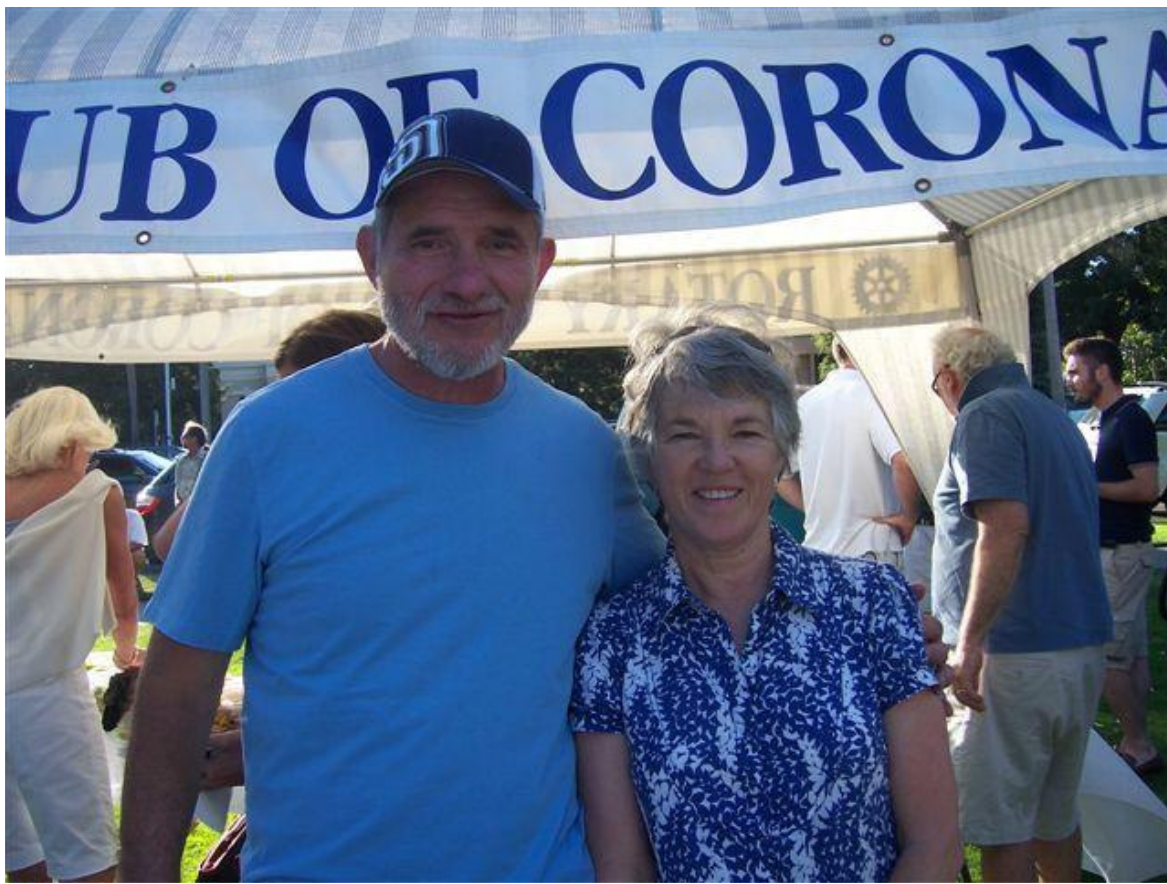

Please contact **Law Barnum** at 435-8096 or 316-9875 or lewb3@sbcglobal.net for updates and information.

FINES & RECOGNITIONS

- We knew **Dwight Settle** was a new grandfather because he now walks with a cane. There's a \$75 bet on who walks first, Dwight or his granddaughter.
- What goes on in Nashville, stays in Nashville. And, what is the statute of limitations on skinny-dipping in the Hotel Del pool. If you can connect these dots contact **Suzanne Popp** or **President Tim**.
- **Ken MacLeod** had an eagle in his last round of golf, but since President Tim was his partner they won the hole and there is no fine.

PROGRAM

Be afraid, **President Tim**, be very afraid! The securities fraud expert was in the house. **Suzanne Manuel** introduced Bob Grosnoff who makes his living being an expert witness for plaintiffs in lawsuits when President Tim and his brethren make you lose money in your investments. After all, the trees DO grow to the sky! Bob suggested you look over your portfolio and pay attention to asset allocation and diversification. You could also look at the "cost to equity" ratio or the turnover ratio. If you think you have a legal problem, don't call **Bob Plumb**. Call a securities lawyer as this is very special work undoing the damage **President Tim** did to your investments.

David Lowenberg and Ginger Cox enjoying the Rotary sponsored Marine Corps Band at Concert-in-the-Park.

***The difference between "ordinary" and "extraordinary" is just a little "extra."
