NOTES FROM THE SCRIBE

The Scribe will just make this up as he goes along. Word has it that **Bill Greene** was Rotarian of the Day and offered an invocation and led the Pledge. **Ed Lohlein** wowed the crowd filling in for the traveling **Leyland Rowe**. The Killer Ps, **Jan Plumb** and **Miko**

Peled worked the mics and included in the guests were **President Bill's** younger sister back on flat land after seven years at Squaw Valley. Pete Litrenta graced us with his presence, but his business is so good he can't make time for rejoining Rotary. And, **Lance Arnell** dodged a bullet, and a fine, due to the heroics of his guest, an Iraq War soldier.

ROTARY NOTES OF INTEREST and ANNOUNCEMENTS

1. Tulane graduate and Rotarian of the Year **Lew Barnum** and past president **Steve Duermeyer** will be heading up our local Rotary effort to aid the victims of Hurricane Katrina.
2. Sept. 10 is the date for both the Prostate Screening at Sharp Coronado Hospital and for the Rotary International Foundation seminar at the Salk Institute.
3. WHO AM I? **Bill Greene** led us on a secret mission under the sea as he recounted some of his interesting life. Stints in secret subs, the NSA, VISA security, and USC were mentioned. In fact, not many can say they had their sub depth charged by a nuclear weapon, by choice! Funny, with a USC education, Bill seemed like such a smart guy.

THE FAMILY OF ROTARY

Jane Simeral is our new contact for the Family of Rotary Committee. Please phone or email her with information concerning illnesses, hospitalizations, etc. of our Rotarians or their family members. Please contact Jane if you are interested in serving on this committee. 619-435-6025 or jsimeral@pacbell.net.

Tony Prete is in Sharp Memorial Hospital in critical condition awaiting a heart transplant. No calls or visits, but his wife Sue requests that we keep him in our prayers.

RECOGNITIONS

President Bill was back in business and the first order of the day was nailing **Dave Axelson, Paul Plumb**, and **Steve Duermeyer** \$25 each for not stepping up to cover the Scribe's absence.

For not pledging and forcing **President Bill** to make something up **Bill Bartsch** was fined a nice round \$100.

Jim Harris is a young 60 and was fined \$1 per year. He got off light considering President Bill was not invited for cognac and cigars to celebrate the occasion. We know how much presidents enjoy a good cigar.

Scott Metzger was both proud and poorer for being named one of San Diego's top ten lawyers. \$100.

Greg Walker was assessed \$150 for his SEMI-Rotarian service project restoring an icebreaker in Sasoan, Alaska. Don't ask. Discounts for wearing Rotary garb and other circumstances made the net fine \$75.

For \$1 per year to 1000 Smiles our **Jim Verneti** celebrated 55 years in Rotary and, coincidentally, 55 years of perfect attendance.

PROGRAM

Al Ovrom introduced Alan Ziter from the NTC Foundation who described the ongoing development and restoration of the US Navy landmark. Housing, parks, hotels, a bayside promenade, shopping, and arts groups will fill out the abandoned training center. Best of all, the project has at its core the preservation of many buildings, and moreover, the Spirit of NTC.
