NOTES FROM THE SCRIBE:

Ground Hog Day and **President Tim** saw his shadow so only 22 more weeks of Rotary and **President Tim**. Speaking of past-presidents, the Past-President's Dinner was last Friday evening and against all odds **Past-President Dan'I** was admitted to the fraternity. Oh, and it's also Super Bowl week and the Packer and Steeler faithful were in full regalia. **Gloria LeBlanc** is missing a clothing opportunity here. **President Tim** announced that **President-elect Steve Haley** accepted a Rotary International award on our behalf honoring our efforts with Polio Plus. **Dan Orr** gave the invocation and introduced the visiting

Rotarians. He volunteered "Fight On for Old SC" for the song, but that was politely declined. So, no song we didn't know.

Rotary Notes of Interest & Announcements

- Pennies for Peace! **Past-president Dan'I** is very pleased with all the pennies you brought for Pennies for Peace. He was so happy that we'll do it again next week!
- **Ross White** had no luck with Rotary Night at the Opera with THIS opera, so he's trying with Carmen the last Friday night in May.
- **Howard Somers** presented our \$500 donation to Coronado Little League. Little League president Rob Miller and sponsor chair Rick Dugger accepted on behalf of the league.
- The next Low Tide Ride and Stride meeting will be Monday, February 7, at 5:30 p.m. at **Gary Kennedy's** home.
- **Bill Sturgeon's** bus trip to the Reagan Library for the Reagan crew was very successful.
- The Southwest Lawn Bowling Society gave **Bill Hiscock** their highest honor for his devotion to the preservation of Coronado's lawn bowling rink.
- If you're planning on attending the RI Convention in New Orleans **President-elect Steve** would like to know.
- Don't forget, if you've done an Oral History, **Steve Duermeyer** needs to talk with you.
- The first Rotary Roundtable for members who have been in Rotary less than two years will be February 18. This is a social event and Ivan Dunn will put out the word soon.
- **Ken MacLeod** presented our \$1500 donation to Colin Dunn and his SAHLUD organization. They use indigenous medical personnel to provide services to rural areas of South America, especially Ecuador.
- **Jerry Winter** reported that the well project in Malawi is off and running and there will be a Limbs of Freedom project in Ensenada in late February or early March.

News From Past Meetings

- Rotary Board meetings have been moved to the THIRD Tuesday of each month. Same time, same place (the world headquarters of the Gensler Group at 4:30 p.m.).
- Sign-up now for the **Jim Laslavic**/Rotary Charity Golf Tournament sponsored by EDCO. It's Friday, March 25, 2011 and spots are going fast! There are many ways to participate. Volunteer, buy raffle tickets, sponsor tees or holes, or sponsor military golfers.
- RYLA (Rotary Youth Leadership Award) is coming up. It's open to juniors at CHS so contact **Mike Privett** and he'll tell you how to advise them to apply.
- April 30 will be this year's Rotarians at Work Day and if you have any ideas for projects please contact **Kevin Rugee**.

FAMILY OF ROTARY

- Please contact **Lew Barnum** at 435-8096 or 316-9875 or lewb3@sbcglobal.net for updates and information.

FINES & RECOGNITIONS

- **Dan Hutchison's** son received his degree in International Relations, so now he's a tour guide.
- **Mike Dabbar** made it out of his homeland, Egypt, just in the nick of time, and now Rotarians want him to be a program and tell us what the heck's going on over there.
- **Chip Garry** is backing the wrong horse, or make that 'Cat. His Villanova Wildcats dropped two and are now behind SDSU in the polls, but no worries they have **Suzanne Popp's** and **Dan Gensler's** Marquette coming up.
- Since the Naval Aviation Centennial is coming right up, **Tom Mitchell** wants to make sure that there is a sign in front of every home where a Naval aviator ever lived. **Bill Green** noted that the submarine service held its centennial a couple of years back, but no one knew because they're the "Silent Service."

PROGRAM

Another great program so you had to be there because the Scribe was too busy listening!
Suzanne Popp introduced her old friend Frank Verstegh who just happens to be one of the pilots involved in the Red Bull Air Race Series. He showed great slides of the races from all over the world and described what it was like to try to pilot an airplane while pulling 15Gs!

RAFFLE: You know them, you love them, and you can't live without them -- buy raffle tickets weekly.

***The difference between "ordinary" and "extraordinary" is just a little "extra."
Now go out and be EXTRAORDINARY!***
