NOTES FROM THE SCRIBE

President Bill admonished all of us to turn off our cell phones, but HAVE FUN. **Chip Gerry** offered the invocation and led the Pledge while **Lenny Rowe** introduced visiting Rotarians, most of them anyway. Our old friend Ed Klapka was the guest of **Suzanne Popp**.

ROTARY NOTES OF INTEREST and ANNOUNCEMENTS

1. Please get your checks in to Megan for Katrina Relief. We're at \$19,000 towards our goal of \$22,000 and **Lew Barnum** and **Steve Duermeyer** will be soliciting donations through next Wednesday.
2. **Who Am I? Chip** (Don't call me Maurice Edward) **Gerry** is a Long Island native who survived sixteen years of Jesuit education, finishing the last four at Villanova. An engineer by training, he is a construction project manager. A 1986 auto accident has given him the opportunity to view the world from his ubiquitous chair.
3. Limbs of Freedom will be 30 September and 1,2 October in Ensenada. **Bob Spear** invited all interested parties to come down and observe. They will be fitting five individuals with new limbs.

The only scary thing is that Bob said **Mike Privett** did the "prep" work.

4. Patrick Yassini was the "Special Guest" of **Kris Grant**.
5. The annual Paul Harris Gala will be 11 November at the Aerospace Museum in Balboa Park. The cost is \$50 per person and includes dinner catered by the Prado Restaurant, free parking, docent tours, flight simulation rides, baby-sitting, and dancing. See **Rob Jones** for complete details about reservations.
6. What if they held a Board meeting and nobody came? Or no one cared? That almost happened this morning, but they did get it together enough to appoint **Gerry Easton** as video historian and to donate to **Jim Laslavic's** favorite non-Rotarian charity.

THE FAMILY OF ROTARY

Jane Simeral is our new contact for the Family of Rotary Committee. Please phone or email her with information concerning illnesses, hospitalizations, etc. of our Rotarians or

their family members. Please contact Jane if you are interested in serving on this committee. 619-435-6025 or jsimeral@pacbell.net.

Tony Prete is in Sharp Memorial Hospital in critical condition awaiting a heart transplant. No calls or visits, but his wife Sue requests that we keep him in our prayers.

Ralph and Flonnie Mitchell could use some prayers as well, as they are not very well at all.

Lew Barnum and **Jim Verneti** have visited **Jack Moreno**, but he wasn't very responsive.

RECOGNITIONS

Lenny Rowe went to Croatia to learn how to mis-pronounce Italian names, or something like that. The \$150 fine was clear enough.

Becky Rocco announced a selected door policy for the grand opening of Coronado Hospital's new emergency room, only **President Bill** is invited. \$100 for excluding the other 215 Rotarians. The Scribe, however, figures he will see the inside of the new ER sooner rather than later, even without an invitation.

Randy Burgess is \$95 happy to be back home in the new muni pool and he guarantees a CIF Championship this year.

Happy Birthday to **Jeff Alison** and his #1 son who will be 50. They share the same birthdate and the fine was \$123. Guess Jeff's age.

MEMBERSHIP

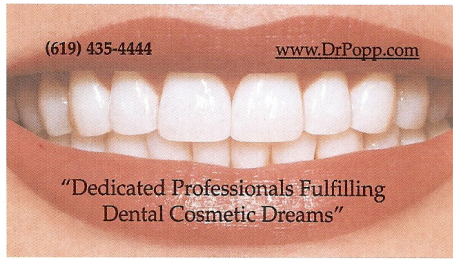

The following have been approved by the Board of Directors to receive an invitation to join the Rotary Club of Coronado. If you know of any reason why this invitation should not be extended please address your concerns in writing to Dan Gensler within ten days of this posting.

PROGRAM

Debby Syverson introduced La Jolla Sunrise Rotarian Deborah Lindholm of the Foundation for Women. Village Banking and Microcredit have come full circle as Deborah was inspired by our, formerly, own Marshall Saunders eleven years ago. FFW is a grassroots organization of over 500 women, and a few Alan Alda types, who are mobilizing to help poor women worldwide, including San Diego. Their goal is to get 50% of District 5340 clubs to participate and to raise \$60,000 next year. Having already looted the Oil for Food Program, Kofi Annan has declared 2006 "UN Year of Microcredit." He needs a new money source. But, seriously folks, Microcredit works and if you'd like to learn more please visit www.microcreditsummit.org.
