## NOTES FROM THE SCRIBE

The bigwigs were in attendance today with Past RI Director **Ron Beaubian** and DG **Bob Watson** waiting to HAVE FUN! **Larry Peterson** offered the invocation and led the Pledge. We prayed for no singing, but **Lantz Arnell** wrote and directed a new Rotary song and then made the mistake of having **Steve Duermeyer** "lead" it. Mercifully, Steve had help from Lauren and Rhianon, two displaced New Orleans COSA-type students. It

was still better than **LenDale Rowe's** attempt to introduce our visiting Rotarians.

## ROTARY NOTES OF INTEREST and ANNOUNCEMENTS

1. **Steve Duermeyer** and **Lew Barnum** gave the final report on our Katrina and Rita relief efforts. Coronado Rotary raised \$24, 525. Congratulations. Steve was nicked \$25 for ruining everyone's lunch with stories of dead cows in dead trees.
2. **Ross White** said that March 31, 2006 would be Coronado Rotary Night at the opera. Bizet's "Carmen" will be performed, as Ross struggles mightily to bring some culture to our group. You need to make reservations and a deposit with Ross by the end of November.
3. By the way **Lantz Arnell** went to Northwestern Medical School not Yale. I'm not sure that's an upgrade.
4. **Ron Beaubian** is off to Vietnam to re-introduce Rotary. Look for an international incident.
5. **President Bill** presented Betty Mollenbach with our donation for the Family Literacy Foundation. It was given with the condition that Lionel Rowe is the first family member served.
6. **Gerry Easton** inducted our two newest members **Don Cunningham**, sponsored by **Vic Todaro**, and **Rich Haas**, sponsored by **Bill Hiscock**.
7. **Walt Heinecke** introduced Jillian McNary and they told us about the opportunity to play in the Christ Church Day School golf tournament on November 11. **Mitch Lindeman** will provide blessing for all aspects of your game.
8. **Gloria LeBlanc** and the Rotary Haberdashery are open for business with lots of new clothing items.

## THE FAMILY OF ROTARY

**Jane Simeral** reported that Ralph Mitchell, who has problems with his eyesight, could probably be coaxed into attending a meeting, if a member could assist him with transportation.

**Tony Prete** is at home and is No.1 on the list in San Diego County for a heart transplant operation. Jane reported that Tony is in good spirits.

**Bob Bradt**, the longest serving member of our club having joined in December 1949, recently celebrated his 90 th birthday with several Rotarians. **Suzanne Manuel** prepared a gift basket, which was lovingly presented to him as a gift from his fellow Rotarians.

## WHO AM I?

We made it mostly through **Larry Peterson's** life. This much we know. He comes from a rodeo family. He grew up in a town in Nebraska with three breweries and naked female horseback riders. He won the "Ed Lohlein Basketball Scholarship" to Univ. of Nebraska, but turned it down due to lack of interest in the sport. After the Air Force he returned to Cornhuskerland where he was graduated as the only journalist who couldn't write. After a stint at the Omaha Light & Shopper he gave that up for a thirty year career in the health care management field. That's as far as we got except that he has an excellent relationship with his wife.

## RECOGNITIONS & FINES

1. **Bob Campbell** for red badge disposal and mis-identification of **President Bill**. \$100
2. **Pam Hammett** for NOT disposing of her red badge. \$50

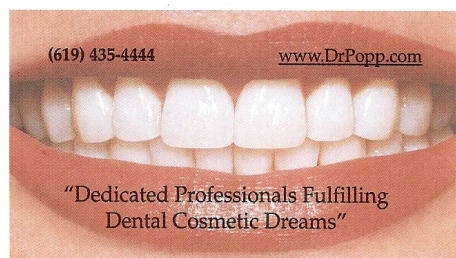

3. Steve Duermeyer for an unappetizing lunch announcement. \$25
4. **Gloria LeBlanc** for "dissing" **President Bill**. \$25
5. **Sally Bixler** for a Syvernesque introduction of our guest speaker. \$50

## PROGRAM

It was five years ago that **Walt Heinecke** introduced Linda Rahn to us as the new Director of Recreation Service. This time **Sally Bixler** was the introducer and Linda came back to familiar faces and to remind us of the services that the Recreation Department provides for the young and old of Coronado. We had a very nice slide show of the Community Center that was used to illustrate all the programs that are available. For the record, the pool heater is fixed, the pool lighting is fixed, and the climbing wall will soon have mats and be open for business. The programs are too numerous to list here so pick up a schedule at the office in the new Community Center. If not to recreate, why would we live here?!

## REMINDERS FROM PREVIOUS MEETINGS

The annual Paul Harris Gala will be 11 November at the Aerospace Museum in Balboa Park. The cost is \$50 per person and includes dinner catered by the Prado Restaurant, free parking, docent tours, flight simulation rides, baby-sitting, and dancing. See **Rob Jones** for complete details about reservations.
