NOTES FROM THE SCRIBE:

The meeting was held in "rock-bottom room" (as in, "It doesn't get any lower than this") and we had them stacked in the hallway for lunch. **Patty Cowan** got a week's jump on her invocation day and **Greg Walker** found his way to the podium to

introduce the visiting Rotarians.

ROTARY NOTES of INTEREST and ANNOUNCEMENTS

- **Brad Willis** reviewed our first Neighbors Across the Bridge event, which was a surfing safari last weekend. Fifteen gremmies from the Barrio Logan College Institute shredded the Coronado surf with some gnarly Rotarians. He also presented a \$4900 check to keep this going.
- Don't forget the Governor's Gala on June 27 honoring our **DG Bob Watson**. Where? What time? You ask. Who knows? **Steve Duermeyer** knows so please contact Steve, as we'd like a nice turnout for Bob.
- The Boy and Girl Scouts received their annual donation. Former NASNI CO Don Steuer accepted on behalf of all the troops we support.
- **Jim Gallagher** is again in charge of Rotary's July 4 float and asked if anyone had an electric car with a trailer hitch available for the occasion. He also asked for volunteers and their families to walk in the parade carrying a U.S. flag. Contact Jim at 437-4872 if you qualify for any of the above.
- **Gloria LeBlanc** and the Rotary Haberdashery were open for business. If you need to replace your Rotary wear, or in lieu of the missing vests, Gloria is the person to see.
- There was a LTR&S raffle drawing for a night at the Marriott, which was won by **Barry Thomas**. Fix! Barry donated the prize back to the Club and the re-draw produced **Diane Butler** who wanted it auctioned off! Doesn't anyone want a night at the Marriott?
- Where are all the Rotary vests? If you have any please return them to **Doug Weisbarth**.
- Career Day was a big success; **Bonnie Carpenter** and **Bill Sturgeon** spent the better part of two days with the high school students and the local businesses that shared their expertise. It was all organized through Rotary and Amy Haines at the Career Center.

Operating facilities at Murphy Canyon, Balboa Hospital, and 32 nd Street the AS YMCA administers forty programs that help

our servicemen and servicewomen cope with the challenges brought on by the war on terror. They offer services in financial aid, education, and counseling as well as a myriad of activities and support for the families of those deployed. **Donna Ball's** husband and **Guy Zeller** serve on the board of directors of the Armed Services YMCA.
