- Our guest speakers donated an original painting of our Centennial Clock which **Jeff Alison** bought at auction for \$375.

BLASTS FROM THE PAST – NEWS OF NOTE

- **President Dan** needs some people to help with the matching grant program. We have a very active program and we need someone who can "baby-sit" the processing.
- **Suzanne Popp** and **Dan Runyon** are re-invigorating Midderact at Coronado Middle School so if you have any children or grandchildren at CMS have them pay attention to the announcements.

- **Vic Todaro** and **Debbie Syverson** reminded us of the Rotary Senior Fair, which will be held February 17 at the Middle School. Anyone in Rotary under the age of 55 is in the Youth Group. The rest of you are invited to attend or exhibit at the Senior Fair.

- **Ross White** still has some tickets left for Rotary Night at the Opera (think Ian Campbell) on March 30.

PROGRAM

Kris Grant introduced Doug and Sally Leland who went "walkabout" last summer and crossed the United States on foot. They responded to a request on the website of the San Diego Track Club that asked, "Do you want be paid to walk across America?" Thinking they had almost no chance of being selected, they applied separately and without consulting each other in anyway. As luck would have it, they were both selected and joined twelve other teams of two in New York City for their trek across the country. The purpose of the walk was to promote healthy lifestyles and bring awareness to ways to combat obesity. (Of course, we listened to all this while enjoying one of the best buffet lunches in the County.) The program was for them to walk twenty miles one day, rest the second day, talk to schools or civic groups the third day. Then repeat; from April 18 to arrival in Los Angeles July 18. They said

they'd do it again in a heartbeat.
