

# Rotary Club of Del Mar

## Highlights

### May 15, 2008

Steve Franke was Rotarian of the Day with a lighthearted golf joke. No singing as Ed was at Career Day at Torrey Pines with 9 or 10 other members. We welcomed a former member of our Club, Larry Black, visiting from Hilo, Hawaii.

Dan Henderson gave a little presentation on his cabin at Lake Tahoe which was auctioned off - silently. Alan McEachern's wallet is \$650 lighter.

Nancy reminded everyone of the blood drive and Pat passed around the sign up sheet.

Rosana reminded everyone of the fundraiser for the El Faro Orphanage on May 24.

Kurt made an announcement about a Green Program.

Rosana then introduced our speaker, Jose Cruz, from the San Diego Council on Literacy. He gave a brief introduction and then had one of their adult clients speak about her experience living and working without being able to read.
