FIVE MINUTE MANAGEMENT

A turkey was chatting with a bull.
 'I would love to get to the top of that tree' sighed the turkey,' but I haven't got the energy.'
 'Well, why don't you nibble on some of my droppings. They're packed with nutrients.'
 The turkey pecked at a lump of dung and found it actually gave him enough strength to reach the lowest branch of the tree.
 The next day, after eating some more dung, he reached the second branch.
 Finally after a fourth night, the turkey was proudly perched at the top of the tree..
 He was promptly spotted by a farmer, who shot him out of the tree.
MORAL OF THIS STORY:
Bull Shit might get you to the top, but it won't keep you there...
