Paul Rudy started his television career at WKOW-TV in Madison, Wisconsin, in the summer of 1984. Six cities and 24 years later, Rudy is beginning his 10th season as the host and executive producer of the "Prep Pigskin Report."

Rudy began working at KUSI-TV in the spring of 1998, and created the PPR in 1999. What started as a 15-minute extension of the Friday night sportscast has quickly grown into a 60-minute highlight extravaganza.

The show is a hit with viewers, sponsors and critics alike. The PPR won the Pacific Southwest region Emmy for "best sports program" an unprecedented 5 years running. Rudy's career includes stops at the ABC affiliate in Madison, WI., the CBS affiliate in Green Bay, WI., the ABC station in Ft. Myers, FL., the NBC station in Kansas City, MO., the Fox Sports Network in Los Angeles, and KUSI-TV in San Diego. Rudy is credited with creating original programming at each station along the way.

President Jeff as usual started with the flag salute by Jack and a prayer by Peggy . Jeff was in a great mood and informed everyone not to show up this week for breakfast , we think he wanted a morning off . Jeff asked again that everyone contact him if they were coming to see Paul Rudy/. Jeff then got rolling with his hit list and here they are.

Constance got hit first for having a birthday on Feb.27 No Age listed or admitted .

Gloria got her fine for arriving on the planet earth on March 3 again No age listed here ..

Randy got fined for remembering his anniversary on the 23rd and not reviling it to the group in time . He tried to get out of it by raising his hand .

Brian admitted that he had a birthday coming up on March 3

Chris also was reminded that his anniversary with Susie was on Brian's birthday the 3rd.

John admitted that he also had an anniversary back on Feb 22 so he was fined by the Prez.

John, reported back from his PETS training, with a great exciting report on Rotary and how we are still moving ahead in spite of the economy.

Jim as a RYLA planner and leader invited all of our club members to come up to the RYLA camp this year and spend a day on April 18 (Art's Birthday).

Barry then introduced his friend Lon Anderson the "Mountain Man". Lon has created a great program for Boy Scouts called the Mountain Man Rendezvous that duplicates the type of games and contests that the mountain did over 100 years ago. It is a very worthwhile project that Barry has been involved for years.
