WELCOME BACK OLE! HERE WITH JOE BOSCACCI

Motivational Business Coach Nancy Drew

“Be So Staggeringly Good that you are Stunning...”

Today Nancy Drew gave an inspiring talk about her specialty - mergers and acquisitions. She is an expert at writing going out of business plans to help turn companies around: for some, change is welcome. For others, it is difficult. This high octane business coach has opened for Tony Robbins and has helped many individuals and companies get back on their feet and move from the red into the black.

When she was only 18, she owned her own international modeling agency. She knew, from modeling herself, that she would prefer to own the business instead of work for it. So she made that happen. As luck will have it, when she made the decision to raise her child instead of work all the time, her business partner and partner in life coincidentally destroyed the company, leaving her with nothing but debt. Refusing to declare bankruptcy, she eventually paid every bill due, raised her child, took on four jobs, and ultimately went to another country to begin a new successful modeling company. Truly, the best revenge is success.

In her work as a business coach, she reminds that “People are hungry for people...social networking is not social...work your networks and sometimes each day must be planned hour by hour to realize a successful a plan. Success in business is not about doing a lot, but about doing 3 or 4 things dazzlingly well.” As she demonstrates by being who she is. www.drewandassociates.com

HAPPY MONDAY

DINNER FOR OUR USO

From USO.org website:

“Millions of times each year at hundreds of locations around the world, the USO lifts the spirits of America’s troops and their families. A nonprofit, congressionally chartered, private organization, the USO relies on the generosity of individuals, organizations and corporations to support its activities. The USO is not part of the U.S. government, but is recognized by the Department of Defense, Congress and President of the United States, who serves as Honorary Chairman of the USO.”

WE ROTARIANS WERE HONORED TO HELP SERVE A DINNER TO OUR DEDICATED SERVICE PEOPLE AND THEIR FAMILIES. SPECIAL THANKS TO HEATHER MANION FOR SPEARHEADING THIS DINNER, TO THE VOLUNTEERS WHO JOINED US, AND TO BRENT STONE FOR OUR ROTARY AT USO PHOTOS.
