

ASSISTANCE FOR YOUR CLUB FROM THE YOUTH SERVICE COMMITTEE

The Youth Service Committee assists clubs in the development and management of Rotary programs for young people under age 30. The committee is also responsible for working with the Youth Protection Officer of the District to ensure that the District 5340 Youth Protection Policy is strictly enforced. The following committees exist to assist clubs in each specific area of youth service. For assistance with your club's participation in a program or for program information, please contact the chairperson listed below.
